

They knew themselves!

(4 May 2025)

*(I wrote these truths from 3 May 2025 to 4 May 2025. I tried to post them and the topic "Betrayal" on My Website in the morning of 4 May 2025 on which is the coronation day of pimp king mha Vajiralongkorn in 2025, but I could not. The Father Almighty or another name is Allah told Me "Pimp king Bhumibol was **afraid of** pimp king mha Vajiralongkorn would know their plan. Thus, he wanted Prayuth Jun-o-cha to find a way to solve the problem before". So, I could post them on My Website in the afternoon of 4 May 2025!)*

I would like to underline the truths The Father Almighty or another name is Allah has told Me again;

"Angie. People who **cannot** reform themselves **knew** themselves "I **cannot** reform myself" even though I **never** tell anyone "You cannot reform yourself" at early time I talk to him. ...

... At first, I **warned** everyone whom the Thai satans, the Thai devils, and the Thai sinners enticed to commit the plan "Do not do. There is "Karma in this life" or "Bearing of fruit in this life". If you committed the plan, in the end, you had to be responsible for your all deeds!" ...

... After that, if he decided to commit the plan and has committed the plan for a moment, I **warned** him **again** "If you still continue committing the plan, you will die in Hell and Fire!" ...

... But Angie, most of people who cannot reform themselves have **the same** thought "The way I am, is good ... I **will not definitely** change!" and "The ways we are, are good ... We **will not definitely** change!" the same as the pronunciations "**Stand in no way change!**" from the song "Take A Bow" sung by Rihanna ...

... Examples are;

... Many of them **insisted** to earn money for their lives by illegal businesses **instead of** legal businesses **even though** the illegal businesses are mortal sins! ...

... Many of them **insisted** to fake and pretend **instead of** sincere **even though** faking and pretence are "lying", so they are the ways to die in Hell and Fire! ...

... Many of them **insisted** to be tricky **instead of** honest **even though** being tricky is a way to die in Hell and Fire! ...

... Many of them **insisted** to be polygamous **instead of** monogamous **even though** being polygamous is a way to die in Hell and Fire! ...

... Many of them **insisted** to be screw **instead of** being virgin and one husband one wife **even though** being screw is a way to die in Hell and Fire! ...

... Many of them **insisted** to seduce men or seduce women to have sex with them without caring of the soulmate of the men or the soulmate of the women **instead of** respect to the rights of other people **even though** separating soulmates and making other people who never do any bad things to them before, anguished are the ways to die in Hell and Fire! ...

... Many of them **insisted** to hurt and/or kill other people who obstruct their evil plan **instead of** stopping their evil plan **even though** hurting and killing the other people are **not only** felonies **but also** the ways to make them face extremely cold-blooded torments in Hell and Fire forever! ...

... Many of them **insisted** to lie to other people, make fake witnesses, and make fake evidences **to blacken Me, gods, goddesses, and the innocent** so as to save their faces and to run away from “bearing of their fruits in this life” **instead of** confession the truths to the others **even though** lying, making fake witnesses, and/or making fake evidences **to blacken Me, gods, goddesses, and the innocent** are the ways to make them face extremely cold-blooded torments in Hell and Fire forever! ...

... And **all of them insisted “No matter what happen, we will offend wrongdoing!” and “The ways we are, are good ... We will not definitely change!” instead of stop offending wrongdoing and reform themselves even though they all knew “There are Hell and Fire!”** ...

... Angie, **did You know why they knew themselves “I cannot reform myself!”?**”
