

## ***They planned to let all harlots lie (2)*** ***(9 February 2025)***

I told Prince William in the topic “They planned to let all harlots lie”: “Will, Daddy Almighty told Me that pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and their all consultants planned to let all harlots who used to get close You such as Kate, Rose, Taylor Swift, Lisa Blackpink, and Jisoo Blackpink to **lie to** everyone “Prince William told me “I love you”” and /or “Prince William had sex with me””

Whereas, The Father Almighty or another name is Allah recently requested Me “Angie, tell everyone “**The lies** which they planned to let all harlots **lie to** everyone are not only “Prince William told me “I love you”” and /or “Prince William had sex with me” but also “I am a henchwoman of Prince William and The British Monarchy!” Angie, they use a principle “Put the right man into the right job” to assign each harlot. Angie, I mean that **they chose the right harlots to lie each lie which is the fittest lie for the harlots** too!”

Anyway, why Lisa Blackpink has shown to public “I never worry anything in my life”?

It is because there are 2 ways for her;

1) Lisa will **lie the lies** earlier to everyone. This is a foremost reason why Lisa and all members of Blackpink ordered King Charles to give insignias to them and ordered King Charles to call them for going into a British palace.

Because of that, she can **pretend** to be bombed to show herself to public again to **lie to** everyone “King Charles and The British Monarchy ordered their henchmen to bomb me in that they are afraid of I will expose their truths to the world!”.

For that reason, pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty will keep her life as long as she can still be a **fake** witness.

They will keep Lisa in Thailand and will not send her to be interrogated abroad by ordering Thai police officers to **excuse** “Lisa Blackpink is one of our important witnesses to prove the felonies of The British Monarchy, British people, and the UK to the courts and the world. So, her safety is the most important condition that we think of the first and we must do our best to save her life. So that, we cannot send her to go into the process of justice abroad because The British Monarchy has their henchmen all over the world!”

Or

2) Lisa will **lie the lies to** everyone “I did not work the plan. I never do anything wrong. I believe that King Charles gave an insignia to me and called me for going into his palace because he and Prince William admire me!”

By the way, I told you “Chitthip Manoban who is the mother of Lisa **screwed until “pregnancy without any fathers”**”. And an article about Lisa told readers “Chitthip met Marco Bruschiweiler who is the stepfather of Lisa **at a hotel** in Bangkok” **So, think twice: Besides sending drugs to buyers at a hotel, what else is a job which women who work need to work at a hotel (or a motel)?** 😊😊
