

They planned to let all harlots lie (3) ***(14 February 2025)***

I just figured a plan of them to let all harlots **lie** on 14 February 2025 at around 6:50 am.

The plan is that pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and main instigators abroad assigned all harlots who used to get close Prince William such as Kate, Rose, Taylor Swift, Lisa Blackpink, and Jisoo Blackpink to **lie to** everyone “King Charles raped me” and/or “Prince William raped me”

If reporters ask Kate “You exposed this truth at this time when the deeds happened for so long. What evidences still remain? Why did not you expose this truth after the deeds happened at once?”, Kate will **lie the lies** “I believed that Prince William married me because He loved me. And I felt so shy to expose this truth to the world at once. The God also told me “King Charles and Prince William are two of the felonious leaders. You need to surrender to follow Their orders before. If you proceeded a court case against Them at this time, you would not have any ways to win!” HENCH, at that time, I was afraid of revealing this truth to the world. But now, King Charles and Prince William are proceeding court cases against me and accuse me of the deeds I never did. Thus, I need to expose this truth to the world to call for justice for myself!”

If the reporters ask the other harlots “You exposed this truth at this time when the deeds happened for so long. What evidences still remain? Why did not you expose this truth after the deeds happened at once?”, The other harlots will **lie the lies** “I felt so shy to expose this truth to the world at once. And The God told me “King Charles and Prince William are two of the felonious leaders. You need to surrender to follow Their orders before. If you proceeded a court case against Them at this time, you would not have any ways to win!” HENCH, at that time, I was afraid of revealing this truth to the world. But now, King Charles and Prince William are proceeding court cases against me and accuse me of the deeds I never did. Thus, I need to expose this truth to the world to call for justice for myself!”

They assigned all the harlots to **squeeze their tears along with lie to** everyone too!

By the way, I never lie to anyone. So, The Father Almighty or another name is Allah needs to guide Me what else they planned to *lie*. And after I had posted this document for the first time on 14 February 2025 at 8:58 am, The Father told Me ...

... “Angie, royal servants who are their henchmen are assigned to *lie to* everyone too;

For royal servants who are their henchmen, their *lies* such as “We heard a female voice calling us to help her from a room where Prince William (and/or King Charles) were with (names of harlots) and we heard something like someone was fighting against another person from the room. But because we knew that A Man in the room was Prince William (and/or King Charles), so we were afraid of doing something against Them!” ...

... Angie, although royal servants who tell the truths will insist the truths “We never heard and saw anything like that”, pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and the main instigators abroad planned to let all the harlots *lie the lies* “These royal servants knew we were raped but they are henchmen of The British Monarchy. Hench, they helped The British Monarchy to conceal the truths in that King Charles has much power!”

And once again: They assigned all the harlots to *squeeze their tears along with lie to* everyone too!

Note: The Father told Me “Angie, their *lies* will help King Charles, Prince William, and foreign people especially British people to understand Prince Andrew!” 😊😊
