

## ***This is A Way I teach (11)***

***(22 February 2026)***

***(Please read them all.)***

Almighty or Allah tells everyone through Me;

“Angie. Some of the main purposes of all harlots to severely torment You are that to see You **insane before suffering die**.

Angie, before You and everyone who loves You, will blame Me why I have let them offend Us like these, think twice;

Angie. All wicked people who work the plan including all the harlots have gotten everything which they have wanted and everything has also gone on as their thoughts because they have ordered Me. Many of them “have been trained to be very self-centre” since they were kids. Many of them have ordered Me to “put Your Little Feelings on their hearts” since the start. Angie, I mean that many miracles that humans cannot make, have been happened as their thoughts for them because they have ordered Me. ...

... Angie, let Me give everyone an example: Did You see Lisa Blackpink and Blackpink whose everything has been as their thoughts for many years: They have been able to perform very well, their songs have been able to be the first of many top-hit charts, they have been able to be worldwide-famous and successful, they have been able to order King Charles Who is The King of the UK to give them insignias, they have been able to order Will Who is The First Heir-Apparent of The British Throne to meet them before You, they have been able to be “the most beautiful women in the world”, they have been able to be brand ambassadors, they have been able to be millionaires, and they have been able to torment and/or kill all the other people who are their obstacles even You? ...

... Angie. They all “have been trained to be very self-centre” since they all were girls because they all have been able to order Me. “The miracle times” have passed around 27 years from they were girls to they are women. And because of “the miracle times”, so in the period of the 27 years, they have not needed to control themselves for “disappointing” and “negative occurrences”. So, when “everything will have been restored to be real”, I mean that when “the world will have become real”, but they all will not have been able to command Me to make everything as their thoughts anymore, what else will happen to them?

Angie, I am giving everyone another example: Because of the orders of all the members of the satanic Chakri dynasty, so everyone has still politely treated them all as a royal family. But because of their large number wicked deeds, so after “everything will have been restored to be real” or another meaning is after “the world will have become real” but they all will not have been able to command Me to make everything as their thoughts anymore, what else will happen to them all? ...

... Angie. As the children who are not the real offspring of the king but were raised by the king whose the image is “the best”, they all have lived in palaces among their servants and have had much money to spend for their lives all their lives, but have never been lived as the poor, have never been treated rudely and disdainfully, and have never been known how a life of a prisoner in a prison is, right? ...

... Angie. Keep tabs on prostitute Ubolratana Rajakanya and prostitute Sirikitiya. Both of them have taken actions to violently torment You 24 hours every day in that both of them want You to be **insane before suffering die** because of their much envy. And prostitute Sirikitiya is one of the wicked people who has ordered Me to put “Your Little Feelings” on her heart. So, after “everything will have been restored to be real” or another meaning is after “the world will have become real” , I mean that after her heart will have been restored to be her own feelings but they will have been powerless and will not have been able to command Me to make everything as their thoughts anymore, what else will happen to both of them? Angie, I told You once “As the youngest daughter, prostitute Sirikitiya is the apple of prostitute Ubolratana Rajakanya’s eye”, right?

Angie, did You see a woman in Your village who periodically screamed out loudly 3 – 4 times in the period of the time not more than 5 minutes because she had commanded Me to restore her feelings but not to make anything as her thoughts for not more than the 5 minutes?

So, Angie, could You and everyone who loves You forecast what else will happen to all the wicked people who work the plan including all the harlots after You, Your Parents, and Your Group will have flown out of the border of Thailand with Will, Harry, and Harry’s Soulmate by A Trustworthy Royal Plane to The Holy Home in 2027?

So that, Angie, not so far, everyone will see what else will happen to all the wicked people who work the plan including all the harlots because they will not have been able to command Me to make everything as their thoughts anymore.

Angie, ask everyone especially everyone who is their victim; “Did you understand why they all have been able to command Me to make everything as their thoughts and to offend us as their thoughts like these for around 28 years from the end of November 1999 to April 2027?”

Angie, ask everyone; “Did you understand the pronunciations “Cause it is nothing, nothing You can teach, babe. I can learn from Mr. have the way” from the song “Rehab” sung by Amy Winehouse?”

Angie,

Tell all the wicked people to prepare themselves for handling the future situations!

Angie, tell everyone;

... ☺☺ “This is A Way I teach!” ☺☺ ...

☺☺☺☺☺☺☺

**Note:** Almighty has told Me many times;

“แองจี้ พ่อเตือนพวกมันไปหลายครั้งแล้วว่า ใจของพวกมันไม่เหมือนใจหนู เจอแบบเด็กเข้าบ้าง กรีดแตกลั่นวังเลย แต่พวกมันเห็นหนูทนได้ไง พวกมันเลยคิดว่า พวกมันจะทนได้เหมือนหนู!”

Or can be translated in The English Language;

“Angie, I have warned them many, many times that their hearts are not like Your Heart. If they face the torment situations like You, they will scream out in their palaces loudly. But because they have seen that You have been able to stand all the torment situations, so they have thought that they will be able to stand all the torment situations like You!”

☺☺☺☺☺☺☺
