

This is A Way I teach (12)

(4 April 2026)

(Please read them all.)

Almighty or Allah told Me on 3 April 2026 at around 11:20 pm to tell everyone

“Angie. Tell everyone;

I (Almighty) have let the Thai satans and the Thai devils who all are the starters entice people all around the world to work the plan since the start. But because although the starters are Buddhists and Buddha teaches the Buddhists about “Law of Karma” or another word is “Bearing of Fruit” both in this life and in life after death, the starters do not believe in “Law of Karma”, so the starters have allowed Me to warn everyone whom they all have enticed to be their co-workers;

““Law of Karma” or another word is “Bearing of Fruit” is an everlasting truth. So, do not join the plan. If you joined the plan, in the end, you had to take your responsibilities for everything you offended”. ...

... However, because people who became their co-workers do not believe My Words and “Law of Karma” or another word is “Bearing of Fruit” the same as the starters, so shall everyone see that they all have almost a half of people all over the world as their co-workers, they all have been able to order Me to do anything as their minds, and everything has gone on as their plans, but can they all run away from taking their responsibilities for everything they all have offended, or another word is can they all run away from “Law of Karma” or another word is “Bearing of Fruit”? ...

... Angie, underline an important truth again: “Law of Karma” or another word is “Bearing of Fruit” is that if you humiliate, offend, persecute, hurt, torment, and/or kill other, a day in the future, you will be humiliated, will be offended, will be persecuted, will be hurt, will be tormented, and/or will be killed unavoidably, or can be easily explained “Everything you do comes back to you” ...

... Angie. An obvious example is that pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their monarchical co-workers have run their plans to overthrow The British Monarchy and All Ethical Monarchies, so in the end, pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their monarchical co-workers will be overthrown instead! 😊😊 ...

😊😊 ... Angie, tell everyone ... 😊😊

😊😊 ... "This is A Way I teach!" ... 😊😊

Note: Almighty told everyone "They all have been able to order Me to do anything as their minds" because although there were agreements which they made with Almighty at the start, they as the first side who offered the agreements offered the agreements to Almighty at the start by their thoughts "If You do not agree the agreements which we offered You, we will kill Angie!" And they agreed to do as the agreements which Almighty offered them at the start by their wicked natures and because they thought "The agreements which Almighty offered us will help us to succeed in our plans!"
