

This is A Way I teach (14)

(20 April 2026)

(Please read them all.)

Almighty or Allah told Me;

“Angie, because All The 3 Men (Will, Daddy Charles, and Harry) still have not believed Our Solution in that They All have been under control, so everyone will see A Way I teach;

Because the period of the time in which all people who work the plan can order Me, is more than 20 years, so We do not need to explicate anything much. Just point everyone to see that if each of all the people who work the plan has a chance to offend a crime, a felony, a sin, or a mortal sin, they will offend. And scores of them will not definitely hesitate to offend. ... I mean that these people are not afraid of and are not ashamed of offending all the wrongs. So, what if We let them to be in Our New Better World? ...

... And Angie, emphasize a significant truth to everyone again;

All Christians who work the plan and all Muslims who work the plan have known Me since they were toddlers. But when I warned them “Do not join the plan. If you joined the plan, in the end, you would have to take responsibilities for what you did!”, they did not care about My Words and used their own free wills to work the plan. Many of them who decided to work the plan when they were children annoyed My Warning and told Me “I grew up. Let Me make a decision by myself!” Even I Whom they have really known since they were toddlers cannot tell them what they should do or what they should not do. Who else will be able to teach them? ...

... And all Buddhists who work the plan have been taught about “Law of Karma” or another word is “Bearing of Fruit”, both in this life and in life after death since they were toddlers. Many of them usually go to temples to make merits. But when I warned them “Do not join the plan. If you joined the plan, in the end, your own bad karmas will be rebounded on you as “Law of karma” is real!”, they have giggly thought “No karma!” or another word is “No bearing of fruit!” Even many Buddhist monks especially Buddhist monks who were Christians to know Me before they ordained to be Buddhist monks believe “No karma!” or another word is “No bearing of fruit!”. Who else will be able to teach them? ...

... Angie, point everyone to see an important truth again: I know before I created The World who else in this era that We can teach but who else in this era that We cannot teach. And all the people in this era whom We cannot teach must be taught by My Way ...

... “Cause there’s nothing, nothing You can teach, babe. I can learn from Mr. have a way” as the pronunciations from the song “Rehab” sung by Amy Winehouse. ...

... Angie, You are so young, nice, and also The Most Optimistic Girl. So, let Me teach all the people who cannot be taught by Us by My Way before because We are not able to teach them by nicely talk to them as Your Natures! ...

... “Cause there’s nothing, nothing You can teach, babe. I can learn from Mr. have a way”. ...

... This is A Way I teach! ...
