

This is A Way I teach (16)
(The Teachings from the sexual secrets!)
(18 May 2026)

(I wrote This Topic on 10 May 2026 but pause writing This Topic from 11 May 2026 to 17 May 2026. I completed This Topic and posted it on My Website on 18 May 2026. Please read them all.)

Almighty or Allah has told Me since 10 May 2026;

“Angie. Although pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their soldierlike consultants, and their all consultants really knew that I allowed them to change agreements which they made with Me at the start if the agreements help Us to gain an advantage, pimp king Bhumibol as the satanic leader decided not to let Will call You within 15 May 2026 at 7:00 pm because the time until Your deadline is not enough for blackening All The 3 Men (Prince William, King Charles, and Prince Harry), Queen Elizabeth, Prince Philip, All Ethical Members of The British Monarchy, Most of English People, England, and their targets to blacken, and he thought to make the Thai troop and the Thai police fall on the ground along with him. ...

... Therefore, Angie. The secretly sexual photographs and the secretly sexual video clips which all the people in the Thai troop and all the people in the Thai police have funnily taken and have happily recorded will be publicised on Your New Website sooner or later eventually. ...

... As a result, We can teach everyone;

“You yourself have a free will to choose your choices for everything in your life. So, you must take all full responsibilities for your deed which is your action, your word, and your mind, whether your deed was in the past or at present. And although the only one of your deeds happened in the past so very much long time ago, you must take all full responsibilities for it a day in the future and/or in a period of a time in the future. No way to run away from. Do not think that nobody knows because at least, you yourself and I know! ...

... Angie, do not forget to point everyone to see that the secretly sexual photographs and the secretly sexual video clips were taken and were recorded by their fun and happiness in the past. For many couples, the secretly sexual photographs and the secretly sexual video clips were funnily taken and/or were happily recorded many, many, and many years ago. But they chose to let Us publicise their sexual secrets on Your New Website. I mean that **they cannot run away from their deeds even though they funnily and happily did the deeds. And all occurrences which have been occurred to them have been happened to them by the free wills of their own themselves! ...**

... Angie. They themselves chose to break one of the basic precepts of Buddhists which is about “Do not do wrongly sexual activities” even though they themselves all declare themselves “We are Buddhists” and “Thailand is a Buddhist country” So, Angie, when the time at which they all must take their all full responsibilities for their all mortal sins comes, who else they all can really blame?

Angie, **point everyone to see another teaching; Although prostitute Ubolratana Rajakanya and many American in the US government took secretly sexual photographs and recorded secretly sexual video clips at secret places where were far away from Thailand in which prostitute Ubolratana Rajakanya are on a high position many, many, and many years ago, can they all conceal their all mortal sins forever? And can they all run away from their all mortal sins? ...**

... Angie. **Pimp king Bhumibol started the devil’s dirty plan before 1960. The US presidents and the US government decided to work the plan with him after 1960 not long too. How many years has passed? ...**

... **How many years has passed since John F. Kennedy was assassinated? ...**

... **How many years has passed since “Alice” from the book “Go Ask Alice” suicided? ...**

... **And how many years has passed since Princess Diana was assassinated?**

...

... **But can pimp king Bhumibol, the US presidents, the US government, their Australian co-workers, Andrew Parker Bowles, Camilla Parker Bowles, Sarah Spencer, and their all co-workers conceal their all mortal sins forever? And can they all run away from their all mortal sins?**

Angie. although pimp king Bhumibol is on **the highest position** in his society, although his image has been **the best** since he started his reign, although two groups of his main co-workers are: (1) The US presidents and the US government that are **the most powerful in the west**. And (2) The president of China and the Chinese government that are **the most powerful in the east**, and although **almost of a half of the population in The World including the satanic that he chose from Hell and Fire to be born in This World** work his plan with him, can they all conceal their all mortal sins forever? And can they all run away from their all mortal sins which the starting point was before 1960 or more than 60 years? ...

... Angie. pimp king Bhumibol, the US presidents, the US government, their Australian co-workers, Andrew Parker Bowles, Camilla Parker Bowles, Sarah Spencer, and their all co-workers have not stopped but have tried to conceal their all wrongs by repeated offending the new wrongs and trying to blacken The Innocent. But **could everyone notice what else has happened to them and The Innocent? The period of the time does not make people forget the truths but helps people to know the truths, right?**

Angie, The teaching which I want to underline by letting people who read This Topic think is that pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their soldierlike consultants, their all consultants, and all the Thai people **really knew** “Angie is The Little Buddha, The Daughter of The God, Allah’s Messenger, and The Only One Latest Prophet of All Religions of The Current Millennium. Angie, Prince William, Prince Harry, Prince Harry’s Soulmate, Angie’s Parents, Angie’s Group, and The God’s People came to help everyone to see the truths of “Law of Karma especially **in this life**” or another word is “Bearing of Fruit especially **in this life**”” And Buddha **clearly** teaches Buddhists about these everlasting truths. **So, do you think why “the certain future” happens to them?**

Last, Angie, emphasize the important truths I sent You to proclaim again;

Everything in your own life is happened by your own deed(s) which is(are) your action(s), your word(s), and your mind(s), not by Me, My Blessing, My Will, My Plan, and/or Heaven. I have My Blessings, My Wills, and My Plans for only My Daughter, My Son, My Children, and My People who are sent from Me to This World to do My Missions, and Mine are Pure, Nice, and Right. So, stop blaming, scolding, and/or cursing Me and/or Heaven for everything in your life. It is not Our Responsibilities. It is your responsibilities. And you must take all full responsibilities for your deed which is your action, your word, and your mind. No way to run away from taking all full responsibilities for your deed whether the deed was done long time ago or was done in a secret place far away from you at present, even though you funnily and/or happily did the deed, and even though you have the most powerful groups and countless people in The World as your partners to commit the deed. In that “Law of Karma both in this life and in life after death” or another word is “Bearing of Fruit both in this life and in life after death” is an everlastingly natural result of and an everlastingly natural reaction to!

Angie, tell everyone ...
