

This is A Way I teach (19)

(2 July 2026)

(Please read them all.)

Almighty or Allah requested Me to show His apologies;

“Angie, I apologise You, Will, Harry, Harry’s Soulmate, My People, My Citizens, and their victims for severe torments You All and their victims have gotten. I believed that My Ways to teach is The Best Way to teach. **I truly want to help everyone to firstly see “Everything in your own life is happened by your own yourself” or another say is “Everything in your own life is happened by your own karmas or your own tree which will show its own fruits, not by Me, My Plans, My Wills, or Heaven”** in order to stop humans especially Christians, Muslims, and believers blaming Us for anything in their lives, and in order to help the humans to think carefully about a result of their deed before doing any deeds. ...

... Therefore, Angie, although My Power is over everything, I have paused My Power and have allowed pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants, all the Thai people, and their all co-workers to **use their own free wills to choose** to command Me and to choose to do or not to do everything **by their own themselves**. ...

... Angie, I mean that **although many of them especially their leaders have the knowledges of the truths of karmas and how a karma works, so they all really knew that the certain future I had told them at the start is the truths, they all themselves have used their own free wills to choose their paths to the end of their lives by dying in violent deaths and being extremely tormented in cold-blooded states in Hell and Fire forever by their own themselves!** ...

... Angie, point everyone to see that although **they own themselves** banned anyone on telling You Who Your Real Soulmate is **each 12 year, they own themselves used their own free wills to choose to tell You “Prince William of The British Monarchy is Your Real Soulmate”** even though their own decision was their paths to die in the violent deaths to be extremely tormented in cold-blooded states in Hell and Fire forever! ...

... Angie, emphasize an important truth to everyone: “I (Almighty) have told you that they **have used their own free wills** to choose to do or not to do everything **by their own themselves** in that although they offered Me agreements at the start, the agreements they offered Me were offered **under the condition** “If You did not agree these agreements with us, we will kill Angie!”, and although I offered them other agreements at the start, the agreements I offered them were agreed because **they own themselves planned to succeed in alibiing by lying the lies about religious beliefs of Christianity and Islam not to take any responsibilities for their all**

wrongdoings they offended Us and their victims, and to succeed in blackening My Son, My Children, My People, My Citizens, My Country, and their targets to blacken!" ...

... Angie, advise everyone to one more time to read The Topic **"This is A Way I teach (15)" (6 May 2026)** on Your Website by going to "SPECIAL TOPICS" and then go to "REALIGNION BY THE DAUGHTER". ...

... Anyway, Angie, I really would like to tell You, Will, Harry, Harry's Soulmate, My People, My Citizens, and their victims;

"Although I do not cause any severe torments in this era, **I am actually regret for every severe torment which has happened because My Son, My Boy, and My People were tempted not into believing Angie's Solution.** In that in reality, I can help but I have rested My Power not to help the good, My Citizens, My People, My Children, My Son, and My Daughter for accomplishing The Ways I teach. ...

... **But a crisis becomes a luck. ... And everyone in The New Better World is lucky** because at least, We and Heaven will come close him in The New Better World Where will be better for living for everyone including the young, women, the black, LGBT, and elders, and he will know Many Ways not to be extremely tormented in cold-blooded states in Hell and Fire, but to live in peace in Heaven. ...

... Each thousand year a time for the opportunities like these. Why is not everyone in The New Better World in The Daughter's Era lucky? 😊😊 ...

... Although I know who else will be in The New Better World at the time I created The World, **I would like everyone who does not join the plan to be proud of yourself the same as I proud of you all** because A Momentous Truth is that The World will not become The New Better World if everyone in The New Better World does not participate in the severe torments in this era. ...

... **We All passes the hardest time to be in The New Better World altogether reliantly and beautifully 😊😊.**

**😊😊 Thank you so very much
for
everyone in The New Better World
for
helping The Ways I teach to complete successfully 😊😊.**

By the way, Angie, do not forget to point everyone to see;

“The satanic has wanted You, Your Parents, and Your Group to suffering die. But **after Will will have called You, to avoid Will, Daddy Charles, and Our Alliances to raise A Significant Reason “Thailand is not the safest place for Angie, Her Parents, and Her Group”** to see Thailand let You, Your Parents, and Your Group fly with Will, Harry, and Harry’s Soulmate to The Holy Home, **the satanic will change his standing point from the killer to be the best protector who will do everything to save The Lives of Yours, Your Parents, and Your Group because at that time, The Deaths of Yours, Your Parents, and Your Group mean his faster violent death to be paid back in Hell and Fire forever! ... Hahaha ... 😊😊 ...**

... 😊😊 **Angie, tell everyone** 😊😊 ...

... 😊😊 **“This is A Way I teach!”** 😊😊 ...

😊😊😊😊😊😊😊😊
