

This is A Way I teach (2)

(Why The Father let Thai people entice us to work the plan?)

(8 November 2025)

(I wrote these truths from 7 November 2025 to 8 November 2025, and posted them on My Website on 8 November 2025. Please read them all.)

On 6 November 2025 at around 3:00 pm to 4:00 pm, I heard the second question from people who work the plan and cannot excuse for the explanation of The Father Almighty or Allah for the first question “Why does not The Father let Angie teach us before The Father will judge who else must be sent to Hell and Fire?”. The second question is “Why The Father let Thai people entice us to work the plan?”

The Father answered the second question;

“I created humans not to be robots but to have “free will” of their own themselves to choose their choices in every situation. And everything has a price to pay. I mean that you have your freedom to use your “free will” of your own yourself to choose your choices in every situation with the result that you must pay for your “free will” of your own yourself by taking responsibilities for every choice you chose!

...

... Although I let the Thai people entice you to work the plan, you have your freedom to use your “free will” of your own yourself to choose not to work the plan or to work the plan with the result that you must pay for your “free will” of your own yourself by taking responsibilities for the decision to work the plan which was the choice you chose! ...

... Let Me explain more;

... Because;

1) Pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family laid the lies about “a test” “The Judgement (The Repayment Day)” and/or “Law of Karma” to fool their targets into surrendering to be severely tormented with the result that their targets who are Christians and Muslims surrendered to be and to do as their purposes and their targets who are Buddhists thought “I must pay them for my own old karma before” like the pronunciations in the song “Chasing Pavements” sung by Adele.

2) I warned everyone whom they had enticed to join the plan “You had to take responsibilities for your deeds in the end if you decided to work the plan”.

3) Nobody forces you to work the plan. You made up your mind to work the plan by your “free will” of your own yourself.

And

4) You have giggled when you have been able to offend Me, My People, and the good by the lies “This is a test” “Jesus is coming to judge the wicked for the good soon” and/or “You all have to pay us for your own old karmas before ... Hahaha ...”

So, you must pay for your sins and mortal sins which you use your “free will” of your own yourself to offend Me, My People, and the good!

... “This is A Way I teach” ...

...

“Angie, proclaim the truths to everyone “People who are under control like some songs such as “F**kin’ Perfect” sung by P!nk are only My People and the good, not the wicked. But pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family assigned singers who pronounce about “control” to help the wicked to excuse!”
