This is A Way I teach (22)

The Father Almighty or Allah told Me;

"Angie. A type of people who is not allowed by Me to be in The New Better World and I want You to declare in This Topic, is "the envious" who cannot control his envious emotions and let the emotions destroy, hurt, bully, persecute, and/or kill other people.

Angie. Tell the envious: Everyone in The New Better World will be better along with The World will be Better Newly with the result that the good in The New Better World is not only Angie, Prince William, My Children, and My People but everyone. But some natures of the envious is that not to be able to stand The Pure, the better, and the good and do everything to pull The Pure, the better, and the good down. If the envious was allowed to be in The New Better World, The World would not be developed and prosperity but would be unrest and down. So, how you whose some natures are like these, live with everyone in The New Better World? How can you be allowed to be in The New Better World?

Angie, people in The New Better World will be taught "One's envious emotions can destroy everything including My World!"

Angie. A type of people who is not allowed by Me to be in The New Better World and I want You to declare in This Topic is that people who take something and/or someone away from the real owner with no right such as people who believe "**ใครดีใครได้**" or can be translated in The English Language "The person who has more thick face will get a good thing" and do everything to take a thing and/or a position away from the real owner and/or do everything to take a soulmate away from the real soulmate and/or do everything to separate a couple who voluntarily marry each other.

Angie. Tell this type of people: Every Religion teaches His disciples to respect rights of other people, if He does not teach directly, He teaches indirectly. The World's Society in The New Better World will be peaceful because everyone in The World's Society respects the rights of the other people. You do not respect the rights of the other people but thought "I must have a thick face to do anything to take a thing, a position, and/or a person away from the real owner!" to tort the rights of the other people. So, if you were allowed to be in The New Better World, The World would be unrest. So that, how can you be allowed to be in The New Better World?

Angie. Another type of people who is not allowed by Me to be in The New Better World and I want You to declare in This Topic is “the unkind” such as leaders who lead their troops into wars, people who starve wars because their business is about arms, people who love to see blood, wars, and death of the other people and/or other living things, and people who earn money for their lives by killing.

Angie. Tell this type of people: The New Better World will be rotated by merciful of everyone with the result that The New Better World will be peaceful and full of hopes to survive from Hell and Fire. But what you lead your troops into, what you starve, what your business is about, what you love, and what you earn for your lives is about blood, wars, death, and killing which make The World unpeaceful but still full of crying and miseries like Hell on Earth especially for the young. People who earn money for their lives by killing such as businessmen whose businesses are about selling meats also pull their target groups to sell, down to Hell and Fire. So, how can you be allowed to be in The New Better World?

Angie, underline an important truth again: I created My World by Myself. So, I am The Only One Who have The Full Rights to allow whoever I want him to live in My World, to be in My World, or not to allow whoever I do not want him to live in My World, not to be in My World!

For Christians and Muslims who join the plan: “You know Who I am. Why do you order Me?”

And for people who are disciples of The Other Religions but join the plan: “You knew many years ago that nothing I cannot do. Why do not you stop ordering Me and stop joining the plan?”

Angie. Tell all evildoers: I warned you all at the start if you join the plan, what will happen to you in the end. So, do not you dare thinking of talking to Angie and/or Prince Harry’s Soulmate to request The Kid and The Girl to talk to Me to forgive you. My Daughter and My Girl are Merciful. But I, My Son, My Boy, and My People are not Merciful like My Daughter and My Girl. We are Much More Hard-Hearted than My Daughter and My Girl. A Crucial Truth is that My Daughter forgave all foreign evildoers and tried to tell the evildoers to stop joining the plan from the 1st time Donald J. Trump was the US president to more than several years ago. My Daughter had tried Her Best to open your eyes to turn to reconcile with Me but no evildoer cared about Her Words and followed Her until I could not stand to see My Most Optimistic Kid try to help the evildoers and told Her not to talk to the evildoers anymore.

So, think twice;

How you who do not care about My Warnings at the start
and never care about My Daughter's Words by Her Best,
can be taught by My Daughter?

So that, once again:

I am The Only One Who have The Full Rights
to allow or not to allow whoever to be in The New Better World!

The wicked will be opened his eyes to see how cold-blooded torments in Hell and Fire are to know why I sent My Daughter to be The Redeemer for only the good and everyone who is allowed to be in The New Better World when it is too much late for the wicked to reconcile with Me.

And

That is because of your own decision, your own thoughts, and your own deeds!

Last, Angie, declare the truth I told You many times to everyone: Some foreign people who were tempted into being bad people by the satanic are allowed to be in The New Better World ☺☺☺☺. Who else is allowed to be in The New Better World but who else is not allowed to be in The New Better World is up to My Own Decision because I am The Only One Who know real everyone at the time I created The Universe!

☺☺ Angie, tell everyone ☺☺

☺☺ "This is A Way I teach" ☺☺"

☺☺☺☺☺☺☺
