This is A Way I teach (23)

(19 November 2026)

(Please read It All.)

The Father Almighty or Allah has periodically told Me since He was allowed to start telling Me about the agreements;

"Angie. Because the satanic himself made the agreements with Me at the start as he wants, and at that time, **he repeatedly emphasized his own order "Everything must go on as the agreements"** but because since around 2022 when was after everything went on as the agreements around 23 years (from the end of November 1999), he has tried to change many agreements which **he repeatedly underlined his own order "Everything must go on as the agreements"**, so I will not allow him to change any agreements except a new agreement will help Us to **gain an advantage**. And if he wants to change an agreement which he made with Me at the start as he wants, I have offered him to change the agreement within **the deadline when I Myself set up**, and he can change each agreement **only once**! …

… Angie, if someone takes an action to kill You, Your Parents, and/or Your Group because I do not allow the satanic to change agreements and/or he wants to break My offers, I will help You, Your Parents, and Your Group to disappear from Thailand to appear at Will because he **himself** made the agreement with Me at the start to help You All not to die **by himself**! …

… Angie, I truly know the certain future at the time I created The Universe. I mean that I really know that after the story has gone on as the agreements, in the end, the satanic would try to change many agreements which **he himself had made with Me at the start as he wants with his repeatedly underlined order "Everything must go on as the agreements!"**, to succeed in killing You, Your Parents, and Your Group. Therefore, **the story will be An Expensive Lesson for the satanic who thinks about how to challenge Me and Heaven!** …

… Angie, another truth is that the satanic has fooled every group of his targets to fool, into waiting for because the satanic does not know all details of the certain future. …

… I mean that to plan his plans to close every way You, You Parents, Your Group, Will, My Children, My People, the good, everyone who is allowed to be in The New Better World, and The World will survive, **he knew the mainly certain future that are useful for him, but he cursorily knew all the certain future unthoroughly.** So, Angie. **He does not know in all the details what else happens while his targets to fool into waiting for, are waiting for**. …

… Angie, tell everyone to think twice: **Who Else could describe all the details of the certain future of more than 10 years in a week. But I spent the time less than one week to tell him the certain future of more than 25 years because he all had to hurry plan his plans.** Therefore, he does not know that after each of him orders each order each day, what else each of him is rebounded on by each order in the certain future. …

… Whereas, Angie. Because as Buddhists, he all really knows "The Truths of Karmas" and "How a karma works", so he all **cursorily** knew what each of him will be rebounded on in the end by his deeds including his thoughts. **Because of that, at the start, he used the truths of the certain future of more than 25 years which were really briefed for describing in not many hours to plan his plans to kill his targets to kill so as to tempt everyone "No karma!" or another word is "No bearing of fruit!"** …

… However, Angie, **I truly know all the details of the certain future at the time I created The Universe.** Angie, **all the details of the certain future is in My Perceptions at the time I created The Universe!** …

… As a result, Angie, ask everyone: Is the satanic **clever** or **idiotic**? …

… **So, Angie, tell everyone:** …

… **Do not anyone dare thinking of challenging Me and Heaven!** …

… **Angie, tell everyone** …

… **"This is A Way I teach"** …

… Angie, I have been Furious, so do not end This Topic by smiling! …"
