

This is A Way I teach (3)

(Why does not Angie redeem our sins and mortal sins for us?)

(8 November 2025)

(I wrote these truths from 7 November 2025 to 8 November 2025, and posted them on My Website on 8 November 2025. Please read them all.)

After The Father Almighty or Allah had answered Me for the second question “Why The Father let Thai people entice us to work the plan?”, I heard the third question: “If Angie is The Redeemer, why does not Angie redeem our sins and mortal sins for us?”

So, I Myself answered the third question;

“You knew that I am The Only One Latest Redeemer of The Current Millennium. But you decided to work the plan which you had really known that one of the purposes of the plan is to make Me die. It shows that you do not want Me to be your Redeemer. So, why do I need to redeem your sins and mortal sins for you?”

After I had answered the third question, The Father said “เรื่องนี้แองเจิ้ลตอบเอง!” or can be translated in The English Language “Angie herself answered the question by herself!” and “เรื่องนี้แองเจิ้ลตอบได้!” or can be translated in The English Language “Angie could answer the question!”

... The Father said “This is A Way I teach” ...
