

## ***Tiny groups (A Good Friday in 2024)***

I told you that the natures of all the Korean people both all the South Korean people and all the North Korean people are wicked the same as the natures of all the Thai people.

Whereas, I forgot to tell you that The Father Almighty or another name is Allah told Me “Angie, there are a tiny group of good Thai people, a tiny group of good South Korean people, and a tiny group of good North Korean people. The good people in the tiny groups are **different** from all the Thai people, all the South Korean people, and all the North Korean people. So, they **cannot** be counted as all the Thai people, all the South Korean people, and all the North Korean people. And **in the end, they are going out of Thailand, South Korea, and North Korea to start their new lives abroad as the good people by Helping from You and Me** 😊😊.”

***I would like all the good people in the tiny groups to know that “Now, most of citizens of the countries knew who else is in the tiny groups. So, no matter what happen, be patient. Keep your goodness as salt keeps its salty. Soon, you all are starting your new lives in better countries. ...***

***... Please remember that after a storm, there will be a rainbow ... Not at everywhere but just only places where are appropriate ... And you all are being there*** 😊😊.
