

To Remind (15)

Will, Daddy Charles, and Harry, sir. In around 2009 – 2010, I started to know that the opposite of Us has fooled Christians into waiting for. At that time, I was controlled not to think of a religious lesson about The Judgement by Jesus which I studied when I was a student at a secondary school. And once in the period of 2009 – 2010, I heard the voice of Ratchaneewan Ad-harn “ที่ชั้นหลอกพวกมันเพราะชั้นนึกว่าพวกมันจะรู้!” or can be translated in The English Language “I fooled them because I think that they will know that they are fooled!” “ที่ชั้นหลอกพวกมันเพราะชั้นนึกว่าพวกคนขาวจะฉลาด!” or can be translated in The English Language “I fooled them because I think that the white is clever!” “ชั้นไม่คิดว่าพวกคนขาวจะโง่!” or can be translated in The English Language “I never thought that the white is idiotic!” And the voice of Kamsai, a maid in houses of Ad-harn family “อยากโง่ให้พวกเราหลอกเอง!” or can be translated in The English Language “They themselves are idiotic to be fooled by us!”

And Will, Daddy Charles, and Harry, sir. In around 2016, after I had completely read The Bible, while I was thinking “คริสเตียนต้องถูกหลอกให้รอวันสิ้นโลกแน่ๆ เลย” or can be translated in The English Language “Christians must be fooled into waiting for the end of the world surely”, I heard the voice of Kamsai again “เสือกโง่ให้พวกเราหลอกเอง!” or can be translated in The English Language “They themselves are idiotic to be fooled by us!”

Will, Daddy Charles, and Harry, sir. When will You All be cleverer to know that You All have been trapped by The Bible and Your religious beliefs that Jesus never taught?
