

## To Remind (20)

Will, I have told You many, many times: The Thai drug-selling gangs have run their plans to make Me lose My Virginity, addict drugs, and suicide since 1990 when I was just 14 years old. And Almighty himself told Me “Angie, nobody can bear their plans but only You” So, could You guess what situation else I have been faced each day every day since I was just 14 years old.

Will, I have told The Truths and The Solution to You along with asking You for Your Help since 2013 when I was 37 years old. But You have let Me be under severe torments with feelings hurt, bruise, and heartbreak while You have spent Your Life with harlots until now, I have no voice to read My Script. And around only 1 month, I am being 50 years old.

Will, although You are The Son of Almighty and The Future King, and Kate Middleton, her children, and the opposite of us are the rebels, You still strongly believe “I cannot fire Kate Middleton and her children out of the positions and My Palaces” And “I cannot solve the problems by Angie’s Solution such as running the process of law to sentence all the rebels”

Will, You are The Son of Almighty and The Future King, but You never listen to Me and never try to use Your Dignity which Almighty has given You since You were born to solve the problems by My Advices, but have let Me under severe torments with feelings hurt, bruise, and heartbreak while You have spent Your Life with the harlots. Will, think by Your Common Sense: Is it called “Love”?

Will, what is the most important for You: Keeping the faith in Jesus and The Judgement That will really come in 4457 AD, or The Life of The Woman Whom You love and Her Happiness?

Will, what will You choose: Keeping the faith in Jesus and The Judgement That will really come in 4457 AD, or The Life of The Woman Whom You love and Her Happiness?

Song: Would You Call That Love sung by Kelly Clarkson
