

To Remind (6)

Will, Daddy Charles, and Harry, sir. Everyone has been able to listen to My Thought since 2000 because I am The Only One Latest Prophet of The Current Millennium Who came to save, to help, to redeem, and to teach Almighty's Words, so Almighty truly wants everyone to listen to Me. Did You All see that in case of Jesus, Na-bee Mohammad, Other Prophets, and even John who noted The Revelation, nobody could hear Their Thoughts? And now, is anyone else able to listen to Will's Thought?

Will, Daddy Charles, and Harry, sir. Almighty has used Your misinterpret in The Bible and Your religious beliefs to cursorily tell Will and Harry especially from You were Boys to Teenagers "When You grow up, You will have to test each human before" to help Will and Harry to unscrupulously understand the future situation. In that Almighty truly knows that You All will know the completed sentences as His Real Intention from Me, The Only One Latest Prophet of The Current Millennium Who came to save, to help, to redeem, and to teach His Words.

Will, Daddy Charles, and Harry, sir. On 21 February 2026 at around midnight, Almighty woke Me up to underline all the completed sentences which He actually wanted to tell and ask You All. All the completed sentences were "I know everything including each man in the future, so I do not test anyone. But I told You "When You grow up, You will have to test each human before" because if this was a test, why do not You All try to do everything right to pass the test?"

Will, Daddy Charles, and Harry, sir. Once again: If this was a test, why do not You All try to do everything right to pass the test?"
