

## ***To dramatize and to fake are effortless for them!***

***(10 January 2026)***

***(Please read them all.)***

In the period of this time, 9 January 2026 was a day from many days when I have read many pieces of the news which have attacked a Thai party and Thai politicians who “show” themselves that they are the opposite side of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, all the members of the satanic Chakri dynasty, their all consultants, and the old Thai generation.

After one of the news had been passed My Eyes by Line application at a hospital and I had thought “This kind of the news came again. I am bored **dramas!**”, The Father Almighty or Allah asked Me “Angie, did You know why Thailand set the new election up in the period of this time?”

Let Me tell you again: What is one of their tricky plans?

All the Thai people agreed with one another at the start that if the story goes on until the period of this time, the Thai new generation must extremely **dramatize** to be the opposite side of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, all the members of the satanic Chakri dynasty, their all consultants, and the Thai old generation.

They set the new election in the period of this time to publicise a large number of the **fake** information to **fool** foreign people ““The new” does not agree with the deeds of “the old”. We are opponents. We are “the new” and we can change!””

If the foreign people **are fooled** into believing “The situation is real. They are opponents”, “the new” will be given a chance to **dramatically** check the truths of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, and all the members of the satanic Chakri dynasty.

Finally, “the new” will **lie to** the foreign people “We rechecked how king Bhumibol, queen Sirikit, and all the members of the Chakri dynasty got their money and properties again and again, again and again, and again and again. But no abnormal found. The audits showed that they never did anything like they were accused as Angie and many foreign people heard” and/or “They all do not pretend to die. They all really died!”

Could you notice that although the time passes around 28 years (from the end of November 1999 to My Birthday in 2027), they originally set the **devious** plan very well: This situation should be mattered in this year, that situation should be mattered in that year, but their all **deceitful** plans are with the purposes of if they do not succeed in killing Me, My Parents, and My Group, they must be able to **lie to** the foreign people so as to run away from their crimes and felonies, and so as to **blacken** Queen Elizabeth, Prince Philip, King Charles, Prince William, Prince Harry, All Ethical Members of The British Monarchy, most of English People, the UK, and their targets to **blacken**?

**Because one of the natures of all the Thai people is “two-faced”, so to dramatize and to fake are effortless for them!**

**Note:** The Father told Me;

“Angie. Prostitute Ubolratana Rajakanya and prostitute Sirikitiya who both are the main supervisors to order and control You to do as their wants, have let You repeatedly read this kind of the news and asked You by My Voice “Angie, did You know why Thailand set the new election up in the period of this time?” with the purposes of You are not able to catch up their plans but are **fooled** into believing that they are opponents as their plans. ...

... Angie. Prostitute Ubolratana Rajakanya herself ordered Me to ask You the question. But her question happened because she has not slept enough in that she has worried about her future! ...

... Angie, could all this topic make You see what happened because of their deeds? Angie, why do You think that they all have never made any mistakes in controlling their targets to control? And Angie, did You understand why they have been able to order Me as their wants for many years!? ... Hahaha ...” 😊😊😊😊😊😊
