

To help them not to let Me go (2 February 2025)

Prince William, sir. In this topic, please let Me call You “Will” 😊😊.

Will, Daddy Almighty told Me many times ...

... “Angie, to help them not to let You, Your Parents, and Your Group fly with Will and Harry, after pimp king mha Vajiralongkorn will have ***laid the lies*** to King Charles and Will “Our police officers have investigated and have interrogated. Results of the investigation and the interrogation are “You All, British people, and the UK are felonious leaders” So, we cannot let Angie, Her Parents, and Her Group fly with Prince William and Prince Harry because we worry about safeties of Angie, Her Parents, and Her Group!” so as to ***continual*** detaining You, Your Parents, and Your Group in Thailand, You, Your Parents, and Your Group will need to examine Yourselves at Bumrungrad Hospital. ...

... As a result, Angie, to avoid requesting of Will, King Charles, and The British Monarchy “Angie, Her Parents, and Her Group need to fly to The Holy Home. After Angie and My Sons will have arrived The Holy Home, They All will be recovered from Their diseases”, ***they all planned to order Me to make results of the examinations of Yours All “good enough for Your ages”***. ...

... ***Angie, You will be a patient of only Parasympathetic Disorder and Lupus. And Your conditions of the diseases will not be worried. Angie, Daddy Jamnong also passed all operations which He needed to operate too.*** ...

... Therefore, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, ***their attorneys***, and all Thai people can ***alibi*** “The safeties of Angie, Her Parents, and Her Group are the most important for us. Thai doctors are professional enough for curing the diseases of Angie, Her Parents, and Her Group. And medicines They All need to take are sold in Thailand. Let Angie, Her Parents, and Her Group in Thailand is better than let Them pass over at The Holy Home!”
