

## ***To pay her and them back!***

***(1 July 2026)***

***(Please read them all.)***

On 1 July 2026 in the morning, after I had gone out of My Bed and had watched My Face in the mirror in My Bathroom, I found that there was a red big pimple at the middle of My Nose.

Almighty or Allah told Me;

“Angie. Last night, prostitute Sirikitiya saw her face in the future in her dream. After You, Your Parents, and Your Group will have flown out of the border of Thailand with Will, Harry, and Harry’s Soulmate to The Holy Home, her face will have not only more than hundred flaws but also a horn of a rhinoceros at the middle of her nose. So, she ordered Me to make the red big pimple at the middle of Your Nose!”

Almighty had also told Me;

“Angie. Prostitute Sirikitiya strongly envies You. To see Will leaves You to love other women, she really wants You to be ugly, repulsive, and insane. So, since the end of November 1999, she is one of the harlots who has ordered Me to change Your Body from slender to be very fat, change Your Face from good-looking to be ugly and older than it is, change Your Manner from high-class to be low-class, make You farts, make You want to scream out loudly many times a day, and destroy hundreds of Your things. And because You have Beautiful Eyes, so now, she has ordered Me to make Your Left Eye infected!”

I wrote This Topic to be a piece of evidences to request every court of law to call her and all harlots for compensations and interests and to pay her and them back!
