

To pay her and them back!

(2 July 2026)

(This Topic which was posted on My Website on 1 July 2026 was not completed because prostitute Sirikitiya and prostitute Ubolratana Rajakanya do not want Me to have a perfect piece of evidence. So, before they had gotten up on 2 July 2026, I completed This Topic and posed It on My Website again. Please read them all.)

On 1 July 2026 in the morning, after I had gone out of My Bed and had watched My Face in the mirror in My Bathroom, I found that there was a red big pimple at the middle of My Nose.

Almighty or Allah told Me;

“Angie. Last night, prostitute Sirikitiya saw her face in the future in her dream. After You, Your Parents, and Your Group will have flown out of the border of Thailand with Will, Harry, and Harry’s Soulmate to The Holy Home, her face will have not only more than hundred flaws but also a horn of a rhinoceros at the middle of her nose. So, she ordered Me to make the red big pimple at the middle of Your Nose!”

Almighty had also told Me;

“Angie. At the end of November 1999, prostitute Sirikitiya was confirmed by Me that she is not a niece of pimp king Bhumibol and is not a daughter of Peter Ladd Jensen but a daughter of a Thai soldier who is a mistress of prostitute Ubolratana Rajakanya, and she does not have her soulmate. But she has aimed at grabbing Will to have sex with her since she was a girl because Will is handsome and The Future King. ...

... As a result, after she knew The Truths of You and Will, she strongly envies You and strongly wants to be The Future Queen instead of You. ...

... Angie. She has aimed at fighting over Will to take Will away from You to have sex with her. ...

... Angie. Because she is a very strong self-centre woman the same as pimp mha Vajiralongkorn is a very strong self-centre man as they were doted on when they were young, one of her natures is that she must get everything which she wants, if she wants something but she does not get that thing, she will be rampant, so even men who are on the same side as her including pimp king Albert of Monaco and Elon Musk do not want to be in relationship with her! ...

... Therefore, to see Will leaves You to love other women, she really wants You to be ugly, repulsive, and insane before You will be suffering died. ...

... So, since the end of November 1999, she is **one of the harlots** who has ordered Me to make You heard noises 24/7, to make You insomnia, to change Your Body from slender to be very fat, to change Your Face and Hair from good-looking to be ugly and older than it is, to change Your Manner from perfect to be low-class, to make You masturbate, to make You farts, to make You urinary and faecal incontinence, to make You poop Your pants, to destroy hundreds of Your things, to make You want to scream out loudly many times a day, and to violently torment You all ways which she can 24/7. She has also worked with all the Thai people including Nok to put drug-facilitated sexual assaults, poisons, and drugs into Your foods and beverages. And Angie, because You have Beautiful Eyes, so now, she has ordered Me to make Your Left Eye infected continually too!”

I wrote This Topic to be a piece of evidences to request every court of law to call her and all harlots for compensations and interests and to pay her and them back!
