

## ***To run away from compensate compensations and interests (24 February 2025)***

*(I wrote these truths on 20 February 2025, but posted on My Website on 24 February 2025.)*

Because many moral Christians and many obedient Muslims still believe “This is a test”, so one of their plans they planned to **run away** from compensate compensations and interests is that;

After Prince William will have called Me, they will order The Father Almighty or another name is Allah to restore My all things which they completely destroyed so as to **alibi** ...

... “After the end of the test comes, everything is restored. So, all things which were destroyed while ones was being tested cannot be calculated as compensations and interests as they were destroyed in the period of the test and now they are restored!”
