

To tempt everyone not into believing “bearing of fruit” or “karma”

(5 January 2025)

I told you “Pimp king Bhumibol and the satanic Chakri dynasty mixed their lies in the truths of “the end of them all” by using The Voice of The Father Almighty or another name is Allah to lie to believers and foreign people until the end of them all are full of bloods and disasters to make their lies credible and worthy to wait for” And I told you “The Father just says to make it happen as He wants”

The Father told Me after Christmas Day 2024 “Angie, pimp king Bhumibol and the satanic Chakri dynasty fooled You by the lies like that to use Your Words for tempting everyone into believing “The disasters which will happen to us and our co-workers occur because “The Father just says to make it happen as He wants”” But ***the truth is that the disasters which will happen to them occur as “the truths of “bearing of fruit”” or another word is “the truths of “karma””***. Angie, You and foreign people who have knowledges of the teaching of Buddha know what I mean”

I explained what “bearing of fruit” or another word is “karma” is in some topics on My website.

Buddha teaches about not only “mercy” and “forgiveness” but also the truths of “Law of Karma” or another word is “bearing of fruit”. The Father told Me “Angie, Christians and Muslims ***are fooled*** into waiting for and into following their orders in that they believe their Prophets and their religious scriptures. But ***all Thai people who declare themselves “We are Buddhists and our religion is Buddhism” do not believe the truths of “Law of Karma” which Buddha clearly teaches and also do everything oppose to the teaching of Buddha. It is not enough. They use knowledges of the religious beliefs of other religions and knowledges of psychology to fool the disciples of the other religions into waiting for and into following their orders, and to tempt everyone not into believing “bearing of fruit” or “karma”!***”
