

To trick Me and foreign people as their aims

(23 December 2025)

(Please read them all.)

As of lately, I have heard a sentence “พระบิดามีแผนการสำหรับเด็ก” or can be translated in The English Language “The Father Almighty or Allah has His Plan for Angie”

However, The Father has told Me many truths in the Thai language. So, I could summarize the concept of pimp king Bhumibol, all members of the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family to **trick** Me and foreign people by the sentence and their lies;

They aimed to **trick** us by the sentence and the lies;

“Agreements between us and The God at the start were agreed because The God has His Plan for Angie. Thus, The God let The Holy Spirit control us to make a decision to continue running the devil’s dirty plan, control us to lie the lies which we laid to many foreign people such as the end of the situation is Christmas Day 2025, and control us to make agreements with Him at the start!”

Ratchaneewan and her family also aimed to **trick** us by the sentence and the lies;

“Because we have had problems with Angie, The Daughter of The God, and Her Parents sent by The God. Hence, The God has let The Holy Spirit to control our family to be like these such as controlling me to have mistresses, controlling Tom not to be beautiful but to be ugly and very fat, controlling boys around Tom not to be interested in Tom, controlling Tom to have habits like rhinoceroses, controlling Tom to flirt men, controlling Tom to have sex with Tu, and controlling To not to be able to graduate a bachelor degree within 4 years ...

... Everything the worst which has happened to our family has occurred not because of “Law of Karma in this life” or another word is “Bearing of Fruit in this life” but because The God has let The Holy Spirit to control us in that we have had the problems with Angie and Her Parents!”

Whereas, The Father has told Me many times;

“Angie, I know everything: in the past, at present, and in the future. ...

... I have known since I created The World that there would be people like these to be born in The World, what they would do to bring foreign people to die in Hell and Fire with them, what they would do to destroy The World, and what they would do after You, Will, and My People would have been sent to be born in This World to save The World. ...

... I mean that I know everything about them at the time I created The World such as what their own decision else would be, what their own lie else would be, and what else in the agreements which they would agree with Me at the start. ...

... I know everything including all the certain future. So, I sent You, Will, and My People to be born. ...

... But they aimed use the sentence “The God has His Plan for Angie” to **trick** You and the foreign people into believing that their own decisions, their own lies, every article of the agreements which they made with Me at the start, and all which have occurred to them have happened because I and The Holy Spirit have controlled them to do and/or to be like those! ...

... And Angie. They believed that **their tricks** will be workable in that two of the beliefs of Christians and Muslims are “Our lives are up to The Father Almighty or Allah” and “Everything is happened because of Wills of The Father Almighty or Allah!””

...

Could all the truths which I told you earlier help you to forecast what anything else they planned to use the sentence and their lies to **trick** Me and foreign people as their aims?
