

To underline their some ways to excuse and to blacken

(18 February 2026)

(Please read them all.)

Almighty or Allah told Me to underline their some ways to excuse and to blacken All The 3 Men again;

Almighty told Me;

“Angie. Although one of the agreements which pimp king Bhumibol, prostitute queen Sirikit, all the members of the satanic Chakri dynasty, their all consultants, Ratchaneewan Ad-harn, and Ad-harn family made with Me at the start was “When the time Angie will tell the truths to the world comes, you must let Angie tell the truths to the world and must not let anyone use any law enforcements and/or proceed any court cases against Angie until Angie and Prince William will be at The Holy Home!” and although they agreed to do as the agreement because they had planned to **tempt** You and the good into doubting “Angie explicated very well. Why All The 3 Men could not figure the truths out?”, they all had planned to **excuse** “If the information which Angie told everyone such as we are satanic and promiscuous naturally, is the truth, why we let Angie tell the information to everyone?”

Almighty also told Me;

“Angie. Two of the reasons why they agreed with Me at the start to let other people help You to help All The 3 Men to figure the truths out are that they had planned to use the period of the time when they still have not made any mistakes in controlling All The 3 Men **for being a tempted reason to tempt** the other people who take an action to help You, the good, and You into **doubting** innocent of All The 3 Men and The British Monarchy because nobody knows a day when they will make a mistake in controlling All The 3 Men but You and people outside their group have not known the day, and they had planned to torment the other people who take an action to help You, the good, and You to be angry with All The 3 Men too.”

By the way, I still have not known that they themselves laid the lie about the day when they will make a mistake in controlling All The 3 Men, or Almighty Himself told them the truth of the day. But I figured the truths out that if they lie the lie about the day, people who are their targets to lie to must know the day. But if Almighty tells them the truth of the day, their natures would make them decide to keep the truth of the day in only their group as their top secret because if their co-workers knew when they will make a mistake in controlling All The 3 Men, their co-workers would stop working the plan!
