

Two ways to excuse (10 October 2025)

The Father Almighty or Allah has told Me about two ways to **excuse** of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers;

(1) To excuse “Real evildoers are not us!”, they will **pretend** to be innocent and **lie to** others “We followed the orders which ordered us to do the wicked deeds. We were involuntary for following the orders!”

Or

(2) Because they who are the Thai people are sure “Many foreign people knew that we did”, so to request judges to deduct sentences, they will **dramatize** to accept the crimes and the felonies with their **pretended** tears, and will **lie to** the others “Do not you know that The God named Thailand as the land of smile, The God named Bangkok in the Thai language as the city of angels, and we are famous for nice, kind, generous, and friendly? Wickedness is not our nature. We did because we were under the controls to do. We did by ourselves but out of our awareness!” ...

... And because now all evidences which are still remained are Words of The Father, My Words, and words of true witnesses, so the evil foreign people and the foreign co-workers especially who are leaders such as Netanyahu, Vladimir Putin, and Xi Jin-ping and who are notorious such as Blackpink and Taylor Swift will **excuse by lying the lies** to the others “I do my duty my best. But I was under the controls to do. I did by myself but out of my consciousness!” ...

... Some of the notorious harlots such as Liza Blackpink and Taylor Swift will also **excuse by lying the lies** to the others “I have my boyfriend!” or “I engaged my fiancée!” even though all the 4 people in the 2 pairs work the plan! ...

... To accomplish their **lie**, creative people who agreed to work the plan such as P!nk who sings the song “F**kin’ Perfect” and some singers who are assigned to pronounce some pronunciations about “control” “lose control” and/or “disguise” in their songs, are assigned to help them to **excuse** and to **blacken** their targets to **blacken** by **lying the lies** to the others. Examples of their **lies** are “Our Heavenly Father told Me “They were controlled!”” and “Our Heavenly Father told Me “People who were not under any orders or any controls are King Charles, Prince William, Prince Harry, and The British Monarchy!””
