We will Revenge!
(The truths of Falkland Islands)
(20 October 2026)
(Please read It All.)

Because of Almighty or Allah, so I had a chance to watch a documentary about "Falklands Islands" on TV in the period of staying at Lampang province in October 2026. So, I truly knew that English people were **the first** race who arrived Falkland Islands and put English flags on the Islands. And the Islanders **more than 90 percentages** have had a referendum for "2013 Falkland Islands Sovereignty Referendum" on 10 – 11 March 2013 to continue retaining their current political status as an Oversea Territory of **the United Kingdom**.

Therefore, are Argentinian people **the sore losers**?

Or the president of Argentina and his cabinet have thought "We will be supported by the US president and the US government"? …

… The US presidents and the US government are **really so very much satanic**. Hence, why do you all believe that you all should trust them? …

… **Did you all see the deeds of pimp king Bhumibol, prostitute queen Sirikit, and all the offspring of prostitute queen Sirikit who all are the real felonious leaders and really so very much satanic?** …

… **Will a good person encourage you to break the law?** …

… **Thus, you all should beware of being like the president of Ukraine!**

Do not think that the excuse "We all followed the orders" will be accepted!

I would like to warn everyone who works the plan especially the presidents, the prime ministers, the leaders, and their governments;

"We have not been able to do anything. It does not mean that We surrender you all to offend Us wrongdoings … We will Revenge!"

Even good kids knew who else works the devil's dirty plan. So, why do you all think "Angie will be fooled by the excuse again!"?

If you all think “Angie is idiotic”, carefully consider;

I have been **severely** tormented to lose My Virginity, to addict drugs, and to suicide **each day every day** since I was just only **14 years old (1990 AD)**. But when I was 17 years old (1993 AD), I could pass an entrance examination to be a freshy of faculty of law, Thammasat University, **the number one** of faculty of law in Thailand at that time.

Although **while** I was studying there, I was **so very much violently** tormented to lose My Virginity, to addict drugs, and to suicide **each day every day** (Even Almighty or Allah has told Me many times “**แองจี้ ไม่มีใครทนแผนของพวกมันได้หรอกนะ มีแต่หนูคนเดียวที่ทนได้! (คนที่ทนได้มีแต่หนู!)**” or can be translated in The English Language “Angie, **nobody** could stand and pass their plans but **only** You!”), I could finish the bachelor degree from the faculty of law which was famous for “**the hardest** to graduate” at that time **within 4 years**. So, why do you all think that I Who could graduate from the faculty of law which was famous for “**the hardest** to graduate” at that time **within 4 years** while being **extremely** tormented to lose My Virginity, to addict drugs, and to suicide **each day every day**, am Idiotic?

Although My GPA was just nearly reached 3:00, it was because **many professors of the faculty are drug-sellers**, so Ratchaneewan Ad-harn and Ad-harn family who are the third from the top of the Thai police drug-selling gang could ask the professors for co-operations to score My scores **less than reality** and/or gave Me fail scores to **“indirectly control”** Me not to have qualifications to get any scholarships and/or to study **abroad**. Almighty or Allah has told Me many times “Angie. If Your answer papers were the answer papers of prostitute Bajrakitiyabha, You would get 90 scores from 100 scores or 100 scores fully. But because the answer papers were Yours, so You just passed or failed the examinations!”

So, once again: Why do you all think that I Who could graduate from the faculty of law which was famous for “**the hardest** to graduate” at that time **within 4 years** while being **extremely** tormented to lose My Virginity, to addict drugs, and to suicide **each day every day**, am idiotic?

(If the faculty of law, Thammasat University, was not the number one of faculty of law in Thailand where was “the hardest to graduate” at that time, why prostitute Bajrakitiyabha, an heir apparent of Thailand, chose to study there?)

And carefully consider;

I and My Parents knew that Ad-harn family whose house is **opposite to** Our Home, are **the third from the top** of the Thai police drug-selling gang in **1995**. We All also knew in **1995** that We All lived in the country where **more than 85 percentages** of citizens were drug-sellers and drug-addicts. And Thai reporters usually and periodically reported **violent deaths** of Thai people died by the Thai drug-selling gangs too. But We All could live Our Lives in Thailand until 2000 when Almighty or Allah started opening My Mind. … **So, do you all think what We All are?**

I would like to remind you all of the truths;

I was fooled and I cried because everything must be as the agreements which Almighty or Allah made with the satanic at the start.

One of the reasons why the satanic has always fooled Me is that he **does not strongly** want anyone to believe Words of Mine and Almighty or Allah **because We have truly known real him.** I believe that now, everyone knows that his every lie is possible because it can be supported by reasonable reasons!

And one of the reasons why the satanic wanted Me to cry is that he **strongly wanted** a huge number of people all over the world **to agree** to work the plan with him. **Hence, I was controlled to cry!**

You all **never** know that **before** 2000, what else was My Reaction when the drug-selling gangs look for a problem on Me. (So, although I never change, the satanic can **lie to** the foreign people “Angie was changed!”)

You all **never** know what My Natures are but Ad-harn family and their gangs **really** knew because they have observed My Behaviours and Habits **since I was A Kid**. And pimp king Bhumibol, prostitute queen Sirikit, and all the offspring of prostitute queen Sirikit have **really** known My Natures **since before 2005** too!

Almighty or Allah also confirmed My Natures to them “**เป็นเด็กผู้หญิงที่นิสัยคล้ายเด็กผู้ชาย**!” or can be translated in The English Language “Angie is A Girl Whose Habits are **Similar to** Boys!”

Therefore, think over from All The Truths earlier: What I and My Parents are?

If you all still think "Angie is stupid", do you all think "Almighty or Allah is stupid"?

What Christianity teaches Christians about Almighty? And what Islam teaches Muslims about Allah?

Almighty or Allah knows everything. He knows what the certain future is. So, He sent Us All to be born in This World.

So that, what else He told you all? And what else He warned each of you all?

If you all still think "Angie is stupid", I would like you all to know that I think that you all are **more** stupid **than** Me.

Why?

It is because you all have known Almighty or Allah **since you all were born** but you all **chose to believe** the Thai people who **really** knew "Everything I do comes back to Me" (The Truths of "Law of Karma" or another word is "Bearing of Fruit") and really knew **only** principles of your religious beliefs and your religious beliefs **but have not known much about Almighty or Allah**, but you all yourselves who knew Almighty or Allah **better than** the Thai people, **decided to** work the plan with them **who have not known much about Almighty or Allah**, to be **the opposite side** of Almighty or Allah!

As a result, **who else** is stupid?

By the way, **do not** think that you all will succeed in the excuse "We were controlled".

Almighty or Allah has told Me many times "Angie. Although everything must be as the agreements which I made with the satanic at the start, I **never** control the bad, the wicked, and/or the satanic. I **warned** everyone whom the felonious leaders encouraged to work the plan and **let** him made up his mind to work the plan or not **by himself** in that **the felonious leaders knew "People who are wicked like us are at everywhere!", so they have full of confidence "We are effortless to encourage the people to work the plan!".** Angie, People Who have been under control are All The 3 Men, All Ethical Members of The British Monarchy, and the good not to help You until the time to let All The 3 Men to figure The Truths out as the agreements will come!"

Another truth is that Almighty or Allah **Himself** has been ordered to control their targets to control. So, ***why*** He Who will be The Best Witness does not know who else are under control but who else are not under control?

Last, once again;

“We have not been able to do anything. It does not mean that We surrender you all to offend Us wrongdoings … We will Revenge! …

… Remember … We will Revenge!”

…

Conversely, I would like to ask My All English People, the good, and everyone who is allowed to be in The New Better World;

“For the wrongdoings which the satanic has offended Us, are You All just getting by?”

When the song “Try” sung by P!nk passes around 2 minutes and 27 seconds, I heard pronunciations “Every worry Dad in might be ruin. Does not make You wanna cry.” (Almighty or Allah talked to the opposite of Us about some deeds of the opposite of Us such as destroying evidences to make Us have only Almighty or Allah and Me as The Best Witness:) “When You rub that do. What are You doing?” (Almighty or Allah asked Us:) “Are You just getting by? Tell me: Are You just getting by … by … by?”

So, **once again;**

“Are You just getting by … by … by?”

…

“We will Revenge!”
