

## **What Thailand is?**

**(30 January 2024)**

I told you “Thailand has not only the Thai soldier drug-selling gang that has pimp king Bhumibol and the satanic Chakri dynasty as their big bosses but also the Thai police drug-selling gang that Ratchaneewan Ad-harn and Ad-harn family are the third from the top of the gang. Both of them has **many** of their own killing teams. And not only a famous Australian businessman was shot by a Thai teenager whose wage to kill **only 3,000 THB** and Blue Diamond which was a diamond of The Saudi Arabian Monarchy was disappeared without a trace in Thailand but there has been also the news of selling drugs and taking drugs in Thailand almost every day even though the situation has gone on like these!”

On 30 January 2024 at around midday, I saw the news on Twitter “Some Thai police officers who work for a police station arrested a female student of a senior high school and her sibling while they rode a motorcycle to go to school because the student has no driver license. After that, the police officers **extorted money 2,000 THB** from the student. But because the student has no money to pay, so the student **was raped** by the police officers beside the police station!”

By the way, My direct experiences told Me “All Thai people **are ready** to kill their own parents and/or siblings and/or close friends to manage to survive and/or to possess all the heritages of their own parents (and/or to step up to be the king 😞😞)!”

## **Did you know what Thailand is?**

**Note:** After I almost finished writing this document, The Father Almighty told Me “Kay, while You were writing the truth of the police officers in this document to tell foreign people, pimp king Bhumibol, the satanic Chakri dynasty, high-level Thai soldiers, and high-level Thai police officers planned to **assign** the police officers to **agree** with the student to **lie to** other people **to save their faces** “I laid to everyone that I was raped by the police officers to revenge the police officers who arrested me!”
