

What if “forever”?

(12 September 2025)

(Please read them all.)

Before all else, I would like you to know that The Father Almighty or Allah teaches Me through a post in the Thai language from [business tomorrow.ig](#) on Instagram. The post is the words of Jim Carrey “ผมหยุดอธิบายตัวเอง เมื่อผมได้พบว่า ผู้คนจะเข้าใจได้แค่ในระดับความเข้าใจของพวกเขาเท่านั้น” or can be translated in The English Language “I stopped explaining about myself after I had found that others can understand my explanations only at level of their understanding”

Therefore, I suddenly understood that The Father wants to teach Me “Angie, Buddha teaches Buddhists “There are 4 groups of lotuses”. The last group of the lotuses can be compared to people whom You will waste Your Time to try to teach because “People can understand Your Explanations only at level of their understanding!”

Did you understand why people who are allowed to be in The New Better World need to be able to learn to control their minds, need to be able to control their minds, need to be able to learn to purify their minds, and need to be able to purify their minds as My Teachings?

...

The Father underlined His request to Me “Angie, tell everyone: Levels of cold-blooded torments in Hell and Fire which a person will get in his life after death and how long he will get the cold-blooded torments are up to a level of the dirty mind which he has. This is A Main Reason why one of three hearts of Buddhism is “purify your mind!””

...

Because it was written in Matthew 7:12 “Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets.” with the result that it became A Golden Rule “Do to others as you would have them do to you” and became the principle “An eye for an eye. A tooth for a tooth” of Shariah Law of Islam, so think over;

If you yourself want happiness in your life, why cannot others be happy?

If you yourself do not want to be hurt, why do you want others to get hurt?

If you answer “Others are not me!”

Think twice;

It is right that the others are not you.

But because the others are not you, so, what if the others do not want you to be happy?

Because the others are not you, so, what if the others want you not only to be unhappy, but also to get hurt?

Because the others are not you, so, what if the times when they do as they want are not only once, twice, or thrice?

Because the others are not you, so, what if the others who want you not only to be unhappy, but also to get hurt, have much more power than you and everyone who loves you?

Because the others are not you, so, what if the times when the others who have much more power than you and everyone who loves you, and want you not only to be unhappy, but also to get hurt, do as they want, are not only once, twice, or thrice, but “all your life”?

And because the others are not you, so, what if “forever”?

Because the others are not you, so, if you can do nothing forever, only you yourself will be unhappy and hurt forever, right?

Because the others are not you, so, what if “forever”?

... What if “forever”? ...

...

Could you remember I told you about 4 things which The Father cannot do?

4 things which The Father cannot do are;

- 1) Sending a good person to Hell and Fire.
- 2) Sending a bad person to Heaven.
- 3) Change a good deed to be the bad deed.

And

- 4) Change a bad deed to be the good deed.

I mean that although nobody has much more power than The Father, The Father does not have His power over “Law of Karma” or another word is “Law of Bearing of Fruit”

Have you ever heard A Proverb from Matthew 7:15 – 20 “You reap what you sow” which is the meaning of “Law of Karma” or another word is “Law of Bearing of Fruit”?

It means that everything you do comes back to you when the fittest time comes.

But if your deed excludes your mind, why it was written like that in James 1:14 – 15?

It was written in James 1:14: “But each one is tempted when he is drawn away by his own desires and enticed”

And it was written in James 1:15: “Then, when desire is conceived, it gives birth to sin; and sin, when it is full-grown, bring forth death.”

What are the meanings of the words “desire” and “conceive”?

Carefully consider: If your deed excludes your mind, why all Thai people who all just think and/or imagine sins and mortal sins will be taken down to die in Hell and Fire forever?

So, because the others are not you with the result that you enjoy making the others not only to be unhappy but also to get hurt all their lives, but because “You reap what you sow” and your deed includes your mind, so, what if “Law of Karma” or another word is “Law of Bearing of Fruit” enjoy making you not only to be unhappy but also to get hurt as your dirty mind forever!”?

... The story has gone on like this,
why do you think “no karma” or “no bearing of fruit”? ...

... What else you have done to the others? ...

And

... What if everything you have done to the others comes back to you “forever”? ...

... What if “forever”? ...
