

What should the citizens do?

(7 April 2026)

(Please read them all.)

Almighty or Allah told Me to tell you to think through on 6 April 2026 in the morning;

“Angie. What type of women who grab a man or men to have sex with, to get money from, and/or to get position from, is? “Prostitutes” or another word is “harlots”, right?”

And Almighty told Me to tell you to think over on the same day at night and on 7 April 2026 in the morning;

“Angie, point everyone to see an important truth: Many men who work the devil’s dirty plan with pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and all the Thai people knew the plan and knew that You are My Little Girl, Will is My Boy, and their many targets to torment and/or to kill are **babies, toddlers, kids, girls, boys, teenagers, women, and elders**. Therefore, think twice: **Are these the actions of gentlemen?** So, what type of these men is? They should be called **“pussy”**, right? ...

... And Angie, underline the important truth to everyone: The US presidents are men, Netanyahu is a man who was a soldier, most leaders of **all** the governments in the world are men, most politicians are men, most soldiers are men, and many people who work for the US government are men. They who work the plan knew the plan and knew that You are My Little Girl, Will is My Boy, and their many targets to torment and/or to kill are **babies, toddlers, kids, girls, boys, teenagers, women, and elders**. But many of them decided to work the plan to torment and/or to kill You, Will, and the targets just because they are not brave to confess what else is their wrongs they have offended altogether. And they all are assigned to blacken Will and Harry Who are **My Boys**, Queen Elizabeth, Prince Philip, Daddy Charles and All Ethical Members of The British Monarchy Who are **My People**, Most of English People Who are **My Citizens**, and their targets to blacken who are **the innocent** later. ...

... So, Angie, ask everyone: **Are these the actions of gentlemen?** So that, what type of these men is? What should they be called? And how can the citizens trust **“the pussies”** to govern and to protect the countries? ...

... They all are in the governments whose works are about using laws and protecting the countries but they themselves have used their authorities to break the laws and destroy the countries by themselves. They all love dirty money more than their compatriots and they all have chosen the dirty money instead of their compatriots; how can they move the countries forward without “hidden agendas”? And how can they move the countries forward really prosperity? ...

... So, what should the citizens do after Will and You are at The Holy Home? ...”
