

## ***What will happen next?***

***(9 April 2025)***

I am not sure but The Father Almighty or another name is Allah recently told Me ...

... “Angie, You still have not known all agreements pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family made with Me ***at the beginning***. ...

... Some of the agreements are;

1) After Will will have called You, I will let everyone do the right, but I will complete ***only some of their orders*** such as people who do the right and people who help You, Your Parents, and Your Group or try to help You, Your Parents, and Your Group may be tormented, but if it is not the real time to pass away of the person, the person will not be passed away certainly.

2) After Will will have called You, ***I will restore real appearance of everyone*** including real appearances of all wicked harlots to help everyone to start to see “Bearing of fruits in this life” or another word is “Karmas in this life”. But I will pay orders which people ordered Me to change appearances of Yours, Will, Harry, Prince Andrew, or anyone, back to the people who ordered after You and Will will have been at The Holy Home! ...

... Angie, because after Will will have called You, You and Will will meet many foreign people, so I want everyone to see My Daughter and My Son Whom I am so proud of as My Daughter and My Son Whom I am so proud of 😊😊.

(I am not much sure for this agreement. As once, I heard “Angie, because You are in Thailand, so You cannot be beautiful!”)

And

3) After You will have gotten Your Money from Will and The British Monarchy, and from Google Play, ***I ban them on letting their henchmen and/or wicked people mass with Your Money*** wherever the sources are! ...

... Angie, *I will not let them change the agreements. In that at the end of November 1999 when the situation started, they were in high-spirits because they would be able to order Me. So, at that time, they mockingly and funnily agreed with Me because at that time they had full of confidence "Angie will not have been able to stand violent torments until a day when Prince William will call Her will come. Angie will have died before the day will come surely!"* ...

... And Angie, You, Will, and Your Families need to bear severe torments until the day when Will will have called You will have come. For Will and His Family around 24 years but for You and Your Parents around 35 years. As a result, You All will be rewarded 😊😊.
