

When foreign reporters come to Thailand

(14 January 2026)

(I wrote these truths on 12 January 2026, completed them on 14 January 2026, and posted them on My Website on 14 January 2026. Please read them all.)

I have aimed that if pimp mha Vajiralongkorn, all the members of the satanic Chakri dynasty, and/or the Thai government do not let Me, My Parents, and My Group go out of Thailand to fly with Prince William, Prince Harry, and Prince Harry's Soulmate to The Holy Home as fast as I want, I will report the truths of pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, all the members of the satanic Chakri dynasty, and many Thai people including **their dark top secrets** which The Father Almighty or Allah has told Me to foreign reporters who will come to Thailand to interview Me.

Before an interview, I will ask the foreign reporters who come to Thailand by themselves;

"I am sure that One of The Conditions of The Father Almighty or Allah is "If My Children speak the truths out, do not let anyone proceed any investigation processes and any court cases against My Children. If whoever wants to proceed an investigation process and/or a court case against My Children, he must wait until My Children and My People are at The Holy Home." ...

... And The Father told Me One of The Conditions long time ago "When Will, Harry, Harry's Soulmate, The Parents of Harry's Soulmate, and foreign groups who will come with Will to see You, Your Parents, and Your Group at Thailand, come to Thailand, do not let anyone proceed any investigation processes and/or any court cases against them." ...

... However, because you came to Thailand by yourselves, so I am not sure that if you interview Me and I tell you all the truths of the kings of Thailand, the dynasty of Thailand, and many Thai people, including **their dark top secrets**, will they be able to proceed any investigation processes and/or any court cases against you? So, will you still volunteer to interview Me?"

By the way, I strongly believe that because of The Conditions, so if they let the foreign reporters who come with Prince William to see Me, My Parents, and My Group at Thailand for a purpose of interviewing Me, they need to let the foreign reporters who come to Thailand by themselves to "get the truths" from Me too because;

1) If they treated all the foreign reporters not equal, foreign people would know that The Conditions are real. So, all the foreign reporters who want to come to Thailand to “get the news” of them and Thailand would be able to prepare themselves to handle the situations.

And

2) They planned to **lie to** the foreign people including judges and juries in every court of law;

“The British Monarchy and English People have worked altogether to order us not to proceed any investigation processes and any court cases against the foreign reporters. Because The British Monarchy and The English People really want to use Angie to be Their tool to publicise the fake information about us to the world to blacken us!”
