When will they start killing one another?

(19 November 2026)

(Please read It All.)

The Father Almighty or Allah was allowed to tell a plan of the satanic to Me by allowance from Nattha Ad-harn, nickname Tom, the only one daughter of Ratchaneewan Ad-harn and Pongthep Ad-harn, on 19 November 2026 at around 10:45 am;

"Angie, consultants of pussy pimp king Bhumibol, prostitute queen Sirikit, and all the offspring of prostitute queen Sirikit leaded by Prayut Chan-o-cha planned the plan not to order their henchmen to kill Thai people who work the plan after Will will have called You. But the consultants planned to kill the Thai people after You and Will will have been at The Holy Home the same as the pronunciations in the song "The Day You Went Away" sung by M2M. Because the consultants planned to **excuse by lying the lies to** foreign people including judges and juries at every court of law **to blacken** Will, Daddy Charles, Harry, Your New Family, Most of English People, England, and his targets to blacken;

"We did not do anything wrong as you accused us. We just believed that this is a test and followed the orders to wait for Jesus and The Judgement or Repayment Day the same as Christians and Muslims. But because Prince William of The British Monarchy is not The Real Son of The God and The Real Soulmate of Angie, so Angie, Her Parents, and Her Group are still at The Most Dangerous Place. So that, Prince William, The British Monarchy, English People, and Their co-workers can still order The God to send Their Minds to order Their henchmen in Thailand to kill one another so as to forever shut up the mouths of Their important henchmen in Thailand who really know that They are the real felonious leaders. And all the disasters which have happened to us and Thailand since Angie, Her Parents, and Her Group arrived The Fake Holy Home, have happened by Their orders with the main purpose of tempting everyone into believing "Bad karmas of all the Thai people are rebounding on them in that they are the real felonious leaders!" (Or another word is "Their bad fruits are being borne in that they are the real felonious leaders!") to blacken us!

Another crucial reason why the consultants planned not to kill the Thai people after Will will have called You is that they strongly want to extend the time everyone especially their foreign co-workers will see "Karmas" rebound on the Thai people and Thailand (or another word is "Bad fruits of the Thai people and Thailand borne"!"

By the way, once again: To **tempt** the good and everyone who is allowed to be in The New Better World not into believing My Words and Words of The Father Almighty or Allah, the satanic planned to do differently from what I told you.
