

## Who entice who to commit the devil's dirty plan?

(7 October 2024)

(I wrote these truths from 6 October 2024 to 7 October 2024, and posted them on My website on 7 October 2024.)

- 1) คนไทยไปชวนคนอเมริกัน แล้วคนไทย assign ให้คนอเมริกันไปชวนคนประเทศอื่น
- 2) คนไทยที่ไปชวนคนอเมริกันไม่ใช่ไอ้หน้าหีกะหรี่คิงแมงดาหมาภูมิพล และราชวงศ์จักรีราชวงศ์เหี้ย
- 3) คนอเมริกันและคนต่างประเทศที่รู้ว่าเป็นพวกมันขวนมีแค่บางกลุ่มเท่านั้น
- 4) ที่นี่ พอสืบสวนสอบสวน คนประเทศอื่นก็จะบอกว่า อเมริกันเป็นคนขวน ไม่ใช่ไอ้หน้าหีกะหรี่คิงแมงดาหมาภูมิพล ราชวงศ์จักรีราชวงศ์เหี้ย และคนไทย
- 5) แองจี้คิดว่า คนอเมริกันและคนต่างประเทศที่รู้ว่าเป็นพวกมันขวนเป็นพวกกลับตัวกลับใจไม่ได้ และจะร่วมมือกับไอ้หน้าหีกะหรี่คิงแมงดาหมาภูมิพล ราชวงศ์จักรีราชวงศ์เหี้ย และคนไทย ใส่ร้ายราชวงศ์อังกฤษและคนอังกฤษ
- 6) ไอ้หน้าหีกะหรี่คิงแมงดาหมาภูมิพลเป็นคนวางนโยบายต่างประเทศให้รัฐบาลอเมริกัน แต่มันไม่ได้คุดเอง มัน assign ให้ทหารไทยคุด

Or can be translated in the English language;

- 1) Thai people enticed American people to work the devil's dirty plan. Then, the Thai people **assigned** the American people to entice foreign people in other countries to work the plan.
  - America has **numerous refugees**, so it would be easy to manipulate the American people to entice the foreign people **all around the world**.
  - The Thai people **manipulated** the American people "People who are in the same line will get profits in the line, and people who are on the top of the lines will get much profits more than people who are at the end of the lines"
- 2) The Thai people who enticed the American people to work the plan **are not** pimp king Bhumibol and the satanic Chakri dynasty.

- 3) The American people and the foreign people in the other countries who knew that pimp king Bhumibol and the satanic Chakri dynasty are behind the scenes of enticing foreign people all over the world to work the plan, **are only some groups**.
- 4) ***So, when foreign police officers investigate and interrogate, the foreign people in the other countries who work the plan will say "American people enticed us, not king Bhumibol, the Chakri dynasty, and Thai people"***
- 5) I believed that the American people and the foreign people in the other countries who knew that pimp king Bhumibol and the satanic Chakri dynasty are behind the scenes of enticing foreign people all over the world to work the plan, **cannot** reform themselves. And they all planned to work with one another to **lie to** foreign people including judges and juries at every court of law **to blacken** Queen Elizabeth, Prince William, The British Monarchy, British people, and foreign people who are their targets to blacken ***(If they do not succeed in alibiing and blackening, they themselves will be convicted of the felonies and the crimes they all have offended altogether, and they themselves will be sentenced by severe torments to be death of Sha-re-ah Law!)***
- 6) ***Pimp king Bhumibol planned foreign policies for the US Government (I mean that the policies that causing wars in other countries especially in the Muslim countries, so as to sell arms are the policies of pimp king Bhumibol.) However, pimp king Bhumibol did not talk to the US Government by himself, but assigned the Thai soldiers to talk to the US Troop, and then, the US Troop talked to the US Government instead of him.***

(One of the reasons why JFK was assassinated is that after JFK had become the US President, JFK **knew** the truths of the devil's dirty plan from high-level authorities in the US Government, but JFK **did not** surrender to offend the plan with pimp king Bhumibol, the satanic Chakri dynasty, the Thai troop, the US Troop, and the US Government.

***The Father Almighty or another name is Allah told Me "US Politicians who are able to be the US President and the Vice President must agree to work the plan with pimp king Bhumibol, the satanic Chakri dynasty, the Thai troop, the US Troop, and the US Government!"***

***I believe that it is the truths because if high-level authorities in the US Government did not participate in the plan, how can drugs spread all over the US where has strong law-enforcement?***

***I would like foreign authorities who are not high-level authorities and are manipulated by the lie "You will get equally much profits from us" to think over again: Could you notice something significant from Thailand: Almost all Thai people are drug sellers and/or drug addicts. If drug-sellers who are on the top of the lines equally share the profits from selling drugs in their lines, why most of Thai authorities and most of Thai people are still poor but pimp king Bhumibol and the satanic Chakri dynasty are the richest dynasty in the world?)***
