

Who is “Pad”?

(11 June 2026)

(Please read them all.)

“Pad” is a maid in a house at the area around My Home. She is older than Me around 10 years. She is “promiscuous”. One of the men she had sex with is “Samak” who is the owner of the house and Almighty or Allah told Me “He is in the drug-selling gangs of Ratchaneewan Ad-harn and Ad-harn family!”.

“Pad” has worked with Ratchaneewan Ad-harn and Ad-harn family to look for a problem at Me and My Parents since I was A Teenager when I studied 2nd year of Thammasat University. And she has helped Ratchaneewan and Ad-harn family to “block” male teenagers who have “high profiles” from getting close Me.

After the wedding ceremony of Prince William and Kate Middleton not many days, while I was walking pass the noodle restaurant of “Sai” at an entrance of My village, Sai maliciously asked Pad “ถ้าแต่งงานล่ะ?” or can be translated in The English Language “What if Angie married Prince William?”. Then, Pad ecstatically replied “แบบนี้ไม่แต่งงานหยอก!” or can be translated in The English Language “The story has gone on like these. Hence, Angie will not definitely marry Prince William easily!” and laughed loudly!

After that, Pad never stops looking for a problem at Me. Once, while I was in a shop at the entrance of My village (The door of the shop is like the door of a supermarket. It is glass.) and Pad was sitting at the noodle restaurant of Sai, Pad spoke something provocatively and laugh loudly to look for a problem at Me. So, I look through the door of the shop to find the origin of the voice. But Pad spoke loudly “เข้ามาสิ ... เข้ามาเลย ... ข้าอยากตบกับเจ้าหญิง!” or can be translated in The English Language “Come on in ... Come right in ... I want to slap The Princess!”

Pad really knew that I do not want to get close her. But she has usually tried to get close Me to provoke Me and My Parents especially Me and My Mother. Twice or maybe Thrice, Pad disrespectfully called the name of My Mother and tried to provoke My Mother in front of My Face.

Almighty told Me “Angie. Pad strongly envies You because You are Good-looking, Pure, Naïve, and popular among many men who have “high-profiles”, but she is promiscuous and never is popular among men. However, since 2000, Pad has made merits every morning almost every day because she really hopes that foreign reporters who will come to Thailand to report the truths will get a piece of wrong information “Pad is really moral!””

A significant truth is that there are the pronunciations “Pad” in the song “If You Don’t Know Me By Now” sung by Simply Red too.

Anyway, around 2017 - 2018, once, after I had gone to a hair salon, while I was walking pass the entrance of My village, "Sai" who is the owner of the noodle restaurant at the entrance of My village whom a woman told Me "Her husband was arrested because of selling drugs", mockingly spoke with her many friends loudly " कै ... ทำไมเอาเสียโง่!" or can be translated in The English Language "Kay, why do You choose Vajiralongkorn!?"

By the way, Almighty told Me "Angie. Sai and her husband have enticed other people to sell drugs by telling them "Because we are drug-sellers, so we are the owners of restaurants and have a rental taxi-metre business!""
