

Why I dress up beautifully to go outside My Home? (3 April 2025)

Will, Daddy Charles, and Harry, sir. Daddy Almighty has told Me “Angie, Will is tempted by the lie “Angie loves to dress up beautifully to go outside Her Home because She fell in love with a Thai man””

As a result, Will, Daddy Charles, and Harry, sir. I would like You All to know My Reason: I love to dress up beautifully to go outside My Home because I may meet British people and/or foreign people, so ***I am worried that*** the British people and/or the foreign people will think “The Soulmate of Prince William is not beautiful, so She is not appropriate for Prince William!” 😊😊

Will, Daddy Charles, and Harry, sir. Although love is about the feelings and soul agreements of 2 people, I care British people and foreign people especially the British people and the foreign people who wish Us the best and who are nice 😊😊.
