

## **Why King Charles will not be mourned? 😊😊**

**(12 February 2024)**

Daddy Charles, Will, and Brother Harry, sir. I told you “Because Will and Brother Harry are assigned to fly the plane to come to get Me, My Parents, and My Group at Thailand to fly to The Holy Home, so Will and Brother Harry will not definitely pass on”

Whereas, Daddy Charles, Will, and Brother Harry, sir. I have not told you that after Will and I will have signed the marriage certificate together, why Daddy Charles will not be mourned?

Daddy Charles, Will, and Brother Harry, sir. Think through;

***After I will have signed the marriage certificate with Will, I will be “The Future Queen” of the UK, right?***

So, ***if they order Daddy Almighty to make Daddy Charles pass over after I am “The Future Queen” of the UK, I will completely be “The Queen of the UK”, right?***

Naturally, all Thai people and all evil foreign people are so very much envious people, so that ***if I am “The Queen of the UK”, how will they feel?*** And an important point is that ***what will be their alibi to continual detaining “The Queen of the UK” in Thailand?***

Another point is that ***although I will be “Princess of Wales”, what will be their alibi to continual detaining “Princess of Wales” in Thailand?***

So, Daddy Charles, Will, and Brother Harry, sir. Do you agree with Me that after Will and I will have signed the marriage certificate together, Daddy Charles will not be mourned?

Whereas, Daddy Charles, Will, and Brother Harry, sir. If they made Daddy Charles mourn reality, they would do when a day on which I, My Parents, and My Group will be disappeared from Thailand almost comes. But ***they need to very carefully consider about how many days Daddy Charles would be mourned before came back to life to sue them as felons who killed The King of the UK*** 😊😊.
