

## ***Why Na-bee Mohammad sometimes lost in wars?*** ***(23 May 2025)***

I guided you to know what type of Father of Almighty or Allah is in the topic “His Only One Main Reason” (17 May 2025).

**You will more know Him if you notice that Expensive Lessons from Him are that He lets everyone decide to work the plan 25 years or not by his free will but let everyone see Hell and The Eternal Flame through My Eyes and feel Hell and The eternal Flame in their dreams in the end (in 26<sup>th</sup> year) to let all people who work the plan know how cold-blooded torments they will get in Hell and The Eternal Flame in their lives after deaths are.**

And a guidance to know Him much more is His answer why Na-bee Mohammad Who is One of His Son sometimes lost in wars;

**I was a little irritation and asked** Almighty or Allah instead of many Muslims “Brother Mohammad went with You to fight against the heretics for You. Why He sometimes lost in wars?”

Almighty or Allah answered Me **in a good mood “Mohammad would have good sportsmanship!”**

Later on, **I asked Almighty or Allah “Why You Who are on top in Heaven and never approach the wicked, taught Brother Mohammad to have good sportsmanship for the heretics? Why people whom You taught Brother Mohammad to have good sportsmanship for, were not the good?” ...**

... On 24 May 2025 at 10:30 am, **Almighty or Allah still has not replied Me!**
