

Why “The Temple of the Emerald Buddha” (Wat Phra Kaew), not “Central World”?

(20 February 2026)

(Please read them all.)

I went to “The Temple of the Emerald Buddha” (Wat Phra Kaew) in January 2026 to get Holy water. If I remember correctly, the day was 26 January 2026.

On that day, although I went to the temple at once and although it was in the late morning of a Monday, there were so many foreign people both from the east and from the west that there was hardly any path to walk at the temple.

Almighty or Allah told Me “Angie, many tour groups changed their plans from going to the other places to go to the temple because they wanted to see You. Angie, the foreign people who came to the temple wanted to see you and encourage you!” 😊😊

However, I went to Central World to have lunch at Sizzler on 30 January 2026.

On that day, although I had proclaimed My plan to go to Central World and although it was a Friday, there were very few foreign people, almost none at all.

Almighty told Me “Angie, foreign people who wanted to come to see You to encourage You were banned on going to Central World on that day!”

I figured answers out why “The Temple of the Emerald Buddha” (Wat Phra Kaew), not “Central World”, and Almighty confirmed that the answers are the truth;

It is because foreign people who want to go into “The Temple of the Emerald Buddha” (Wat Phra Kaew) must pay an entrance fee **500 THB / a person**. But foreign people can go into Central World by paying nothing but a transportation.

The number of the foreign people who went to “The Temple of the Emerald Buddha” (Wat Phra Kaew) on that day also helps the pimp kings of Thailand, the satanic dynasty of Thailand, all the Thai people, and their co-workers to know how many foreign people who usually listen to My Thoughts and how they feel about Me.

Could you figure out the natures of the pimp kings of Thailand, the satanic dynasty of Thailand, and all the Thai people from why “The Temple of the Emerald Buddha” (Wat Phra Kaew), not “Central World”?
