

***Why do all the Chinese people think “We have a way to win The God”? ... Do not try challenging My Father!***  
***(16 December 2024)***

I have listened to the story of China and Chinese people from “The Voices” for a long time. But because My ancestors came from China, and I watched Chinese dramas when I was a girl and teenager, so I judged China and the Chinese people by My Optimistic Mind.

Whereas, as of lately, My Father (The Father Almighty or another name is Allah) told Me “Angie, all the Chinese people have helped one another to order Me to make their country be “exponential growth” in that they had hard-lives, and pimp king Bhumibol, the satanic Chakri dynasty, and all the Thai people especially all the Thai people who descended from Chinese people have enticed them!”

As a result, I would like you to know My Thoughts ...

... I understood that why you have ordered My Father to make China be “exponential growth” but I cannot accept that you have ordered My Father to make the countries in the west down and be like “slums” ... ***If you were citizens of the countries in the west, how would you think and feel?*** ...

... And now, I am not sure that all the Chinese people have helped pimp king Bhumibol, the satanic Chakri dynasty, all the Thai people, all the South Korean people, all the North Korean people, and all evil foreign people to order My Father to make conflicts and wars in The Muslim World or not. But if you did, I could not accept too. ... ***If you were Muslims in the Muslim countries where have conflicts and wars, how would you think and feel?***

Because all the Chinese people have helped one another to order My Father for 24 years, so you all knew that ***nothing My Father cannot do***. So that, think twice ...

... Although now, numerous Chinese people were made rich, China was made rich and civilization, and the Chinese troop was strengthened, ...

... If My Father can make many Chinese people rich, can make China rich and civilization, and can make Chinese troop strength, ...

... ***Why cannot*** My Father make the Chinese people poor and starving again? ...

... **Why cannot** My Father make the economy of China collapse? (Did you see Venezuela where has crude oil as an example?) ...

... **Why cannot** My Father make the Chinese troop weak? ...

... **Why cannot** My Father make China down and be like “slums” instead of the countries in the west? ...

... And **why cannot** My Father make China have conflicts and wars instead of many countries in The Muslim World? ...

... If all the Chinese people dare to send their troop to fight against My Father, ...

... **Why do you think My Father cannot** make Xi-Jinping and important Chinese Generals be “paralysis”? ...

... **Why cannot** My Father make all the Chinese soldiers be “paralysis” **all**?  
...

... And **why cannot** My Father make the Chinese troop cannot move itself to fight against The Countries where are Alliances of My Father? ...

... **Do not try challenging My Father!**

**Once again: The time around 24 years make you know that nothing My Father cannot do. So, why do you think “We have a way to win The God”? ...**

**... And once again: Do not try challenging My Father!**

...

**Note:** My Father told Me on 16 December 2024 at 5:12 pm “Angie, although all the Chinese people have helped one another to order Me, **not all** the Chinese people will be taken down to die in hell and the eternal flame forever!”
