

Why do not kill?

(31 March 2025)

The Father Almighty or another name is Allah has told Me 4 of the main reasons why pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty who have much dark power in Thailand, still have not ordered any gangsters in their gang to kill Ratchaneewan Ad-harn and Ad-harn family but have let Ratchaneewan Ad-harn and Ad-harn family tell Me the truths of many of their co-workers;

1) If they ordered their gangsters to kill Ratchaneewan Ad-harn and Ad-harn family at this moment, everyone **would start to see “Bearing of fruits in this life” or another word is “Karmas in this life” which is a natural result of and a natural reaction to as an everlasting truth**. So, scores of foreign people who join the plan especially the new generation who join the plan **would be afraid of “Bearing of fruits in this life” or “Karmas in this life”**. So that, many of the foreign people **would quit the plan**. Because of that, people who work the plan with them **would be decreased**.

2) If they ordered their gangsters to kill Ratchaneewan Ad-harn and Ad-harn family before Prince William called Me, everyone would know who ordered the order because Ratchaneewan Ad-harn and Ad-harn family tell Me their top secrets too. But if they wait until Prince William calls Me, they can **lie to** foreign people “The big boss of the Thai drug-selling gang which Ratchaneewan Ad-harn and Ad-harn family are 3rd from the top of the gang ordered gangsters in the gang to kill them, not us!”

3) They planned to **alibi** to low-level Thai soldiers, middle-level Thai soldiers, and all Thai people “We did not stop and did not order anyone to kill Ratchaneewan Ad-harn and Ad-harn family because we were under their controls!”

And

4) They are tricky. Hench, they have let Ratchaneewan Ad-harn and Ad-harn family tell Me the truths of many of their co-workers **to see the co-workers be sentenced instead of them or along with them!** ...

... Once again: **One of the natures of all Thai people is “If we get disasters, other people including our co-workers must get the disasters along with us!”** And pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty **are the Thai people!** ...

... And once again: ***There is no honesty among thieves!***
