

***Jesus warned Christians in Matthew 7:6
(But why do not they know Your religious beliefs?)
(22 May 2024)***

Will, listen to Me and try thinking of;

Will, when pimp king Bhumibol was a boy and teenager, he spent most of his life at Switzerland and Europe. And while he was a boy and was spending his life in Thailand, he studied at Mater Dei School that is a leading Christian School in Bangkok, Thailand. Will, before he came to Thailand as the king, he had also studied many subjects including religious subjects at Switzerland and Europe. And Will, while he was being the king of Thailand, he was the highest royal patronage of all religions in Thailand where religions are diversity too. So, Will, although pimp king Bhumibol is a Thai-Buddhist, why does not he know religious beliefs of Christianity and Islam? And why does not he know thinking method of the white who is Christian?

Will, prostitute queen Sirikit studied at Saint Francis Xavier Convent School that is a leading Christian School in Bangkok, Thailand, from her second primary year through the early secondary level. Will, because her father was an ambassador, so she completed her secondary school at the UK, and spent her life when she was a teenager in the western world including Denmark and France. And Will, because she was the queen of Thailand where religions are diversity, so Will, although prostitute queen Sirikit is a Thai-Buddhist, why does not she know religious beliefs of Christianity and Islam? And why does not she know thinking method of the white who is Christian?

Will, prostitute princess Ubolratana Rajakanya studied tertiary education in the US. And she married Peter Ladd Jensen who is an American, and spent her promiscuous marriage life with her husband and her children in the US from 1972 to 2000 too. So, Will, although prostitute princess Ubolratana Rajakanya is a Thai-Buddhist, why do not she and her children know religious beliefs of Christianity and thinking method of the white who is Christian?

Will, pimp king mha Vajiralongkorn studied military subjects in Australia. He was also the crown prince of Thailand where religions are diversity. And now, he is the king of Thailand who is the highest royal patronage of all religions in Thailand too. So, Will, although pimp king mha Vajiralongkorn is a Thai-Buddhist, why does not he know religious beliefs of Christianity and Islam? And why does not he know thinking method of the white who is Christian?

Will, the second wife of pimp king mha Vajiralongkorn and their children have spent their lives in the UK and the US. Their all children studied in the western world since they were boys and a girl. So, although they are Thai-Buddhist, why do not they know religious beliefs of Christianity and thinking method of the white who is Christian?

Will, prostitute princess mha Chakri Sirindhorn has deeply studied Mandarin language and Chinese traditions. She has also usually gone to the western world for learning new knowledges. Because of these, she has studied Chinese knowledge with Chinese teachers, has periodically gone to China, and has kept long-term relationships with many of the white who is Christian. So, Will, as the crown princess of Thailand where religions are diversity and as a member of the satanic Chakri dynasty whose image is the second-best from pimp king Bhumibol, although prostitute princess mha Chakri Sirindhorn is a Thai-Buddhist, why does not she know religious beliefs of Chinese people, Christianity, and Islam? And why does not she know thinking method of Chinese people and the white who is Christian?

And Will, other members of the satanic Chakri dynasty are sent to spend their lives both short-term and long-term in the western world. So, Will, although they are Thai-Buddhist, why do not they know religious beliefs of Christianity and thinking method of the white who is Christian?

Will, how about other Thai people?

Will, Ratchaneewan Ad-harn, nickname Dang, is a Thai satan who has meant to tempt Me into addicting drugs and suiciding since I was a girl. She and her family are the third from the top of the Thai police drug-selling gang. She worked as an anaesthesiologist for Saint Louis Hospital that is a well-known Christian hospital in Bangkok, Thailand.

Will, the younger sister of Ratchaneewan married an American. She has spent her life with her husband in the US since I was a girl.

Will, Taweesan Ad-harn, nickname To, is the son of Ratchaneewan. He studied at Bangkok Christian College that is one of the top 5 of the Christian schools in Bangkok, Thailand, from kindergarten to senior high school. And he graduated bachelor degree from Assumption University where is a leading Christian university in Bangkok, Thailand too.

And Will, Nattha Ad-harn, nickname Tom, is the daughter of Ratchaneewan. She studied at Saint Joseph Convent that is one of the top 5 of the Christian schools in Bangkok, Thailand, from kindergarten to senior high school too.

Will, some of the leading Christian schools in Bangkok, Thailand, that I have known are;

- (1) Bangkok Christian College
- (2) Saint Joseph Convent
- (3) Assumption College
- (4) Assumption Convent School
- (5) Mater Dei School
- (6) Wattana Wittaya Academy, and
- (7) Saint Francis Xavier Convent School

Will, tuition fees of the leading Christian schools in Bangkok, Thailand, is so much expensive. So, most of their students are offspring of millionaires or billionaires who sell drugs. And the students have looked for problems at Me and/or have tried to tempt Me into being one in their gangs.

Will, because parents of students who study in the leading Christian schools in Thailand are rich by selling drugs, so the parents have much money to send their offspring to have educations in the western world especially the UK and the US. Will, many Thai students who do not have enough money to study abroad by himself also got scholarships from pimp king Bhumibol to have educations in the western world especially the UK and the US.

Will, Thailand has not only the leading Christian schools and the leading Christian university that teach The Bible and religious beliefs of Christianity but many Christian institutes and many Christian organizations also teach The Bible and religious beliefs of Christianity such as catholic churches, Baptists, and Christian hospitals. Will, the schools, the universities, the institutes, and the organizations have their particular places for teaching The Bible and religious beliefs of Christianity, and for worshiping The God, Jesus, Joseph, Mary, and gods and goddesses of Christianity. Will, significant truths which I would like You to know are that the first group of missionaries who came into Thailand, came into Thailand in 1567 AD when the capital city of Thailand was still "Ayutthaya"? And Thai students study basic beliefs of all religions in primary schools too.

Will, many Thai police officers who are in the Thai police drug-selling gang and many Thai soldiers who are in the Thai soldier drug-selling gang, are also sent to study at police academic institutes or soldierlike academic institutes in the western world especially the UK and the US too. And Will, have You ever heard about "Cobra-Gold"?

Will, it is not enough. There are Thai women who married Christian men. Most of these Thai women had sex with other men and were pregnant but they fooled the Christian men “The baby is our baby” to marry the Christian men and moved themselves to live in the western world. Will, Daddy Almighty told Me “One of the reasons these women have worked the devil’s dirty plan is that they do not really want the Christian men who are their officially husbands to know “The woman (or the man) is not your offspring!””

Therefore, Will, although most of Thai people are Thai-Buddhist, why do not they know religious beliefs of Christianity? And why do not Thai people who have a chance to spend their lives in the western world, know thinking method of the white who is Christian?

Will, important truths are that since the end of November 1999, pimp king Bhumibol and the satanic Chakri dynasty have been able to ask Daddy Almighty to know what each belief of their targets is, such as what else Mommy Diana had taught You and Brother Harry before she was assassinated? And since then, they have been also able to ask Daddy Almighty to know what each of their targets is thinking now in that I and My Parents are being still detained in Thailand!

Will, all which I explained earlier are because I would like You to know that although they are Thai-Buddhist, they know religious beliefs of Christianity, thinking method of the white who is Christian, beliefs of each of their targets, and what each of their targets is thinking now ...

... And Will, because if they let Me and My Parents fly with You and Brother Harry to The Holy Home, it means that the satanic Chakri dynasty will be overthrown, all Thai people will kill one another, all evil foreign people will kill one another, and Thailand will be in wars both from inside and from outside, so why do not they use their knowledges of religious beliefs of Christianity, their knowledges of thinking method of the white who is Christian, their knowledges of the beliefs of each of their targets, and an answer from Daddy Almighty for the question “What each of our targets is thinking now?” to trick You, all people in Your Group, and foreign people especially British people not into starting to help Me and My Parents to fly to The Holy Home but into continual waiting for ***so as to run away from killing one another, and so as to succeed in alibiing and in blackening Queen Elizabeth, Daddy Charles, You, Brother Harry, The British Monarchy, and British people?***

Will, since 2013, Daddy Almighty has periodically told Me many times “Angie. Thai people have funnily thought “The western people, the white, and Christians who are the white are very easy to fool!”” Will, I heard their voices “อยากโง่ให้พวกเราหลอกเอง” many times. And Will, I also heard the voice of Come-sai who is a maid of Ad-harn family “เสือกโง่ให้พวกเราหลอกเอง” once!

So, Will, did You understand why Jesus warned Christians in Matthew 7:6
“Do not give what is holy to the dogs; nor cast your pearls before swine, lest they
trample them under their feet, and turn and tear you in pieces!”?
