

## ***Why have they enticed you to order The Father Almighty or another name is Allah?***

***(7 January 2025)***

First of all, I would like to tell the truth to you: Pimp king Bhumibol and all members of the satanic Chakri dynasty ***really know*** that their deeds are ***wrong, immoral, and/or illegal.***

Examples of their deeds are;

1) Pimp king Bhumibol ***shot*** his own older brother to be crowned as the king of Thailand.

2) Pimp king Bhumibol ***planned*** a foreign policy for the US Government through the US troop to make conflicts and wars happen in many parts of our world especially in The Muslim World to sell arms and pimp king Bhumibol and the satanic Chakri dynasty ***has gotten*** share from selling arms.

3) Pimp king Bhumibol and the satanic Chakri dynasty are ***the big bosses of the Thai soldier drug-selling gangs.***

4) Pimp king Bhumibol and the satanic Chakri dynasty have businesses to ***launder their dirty money.***

5) ***Pimp king Bhumibol and the satanic Chakri dynasty have run their plan to overthrow all ethical monarchies to tempt their beloved citizens into being drug addicts and drug sellers, and last being "slaves of drugs". Thus, John F. Kennedy, Princess Grace of Monaco and Princess Diana of Wales were assassinated by his plan.***

And

6) ***All members of the satanic Chakri dynasty are "screw".*** Pimp king mha Vajiralongkorn is ***"sex perversion"*** and "screw". The female members of the satanic Chakri dynasty who married are "screw" and had sex with many men especially the men who had a wife. And the female members of the satanic Chakri dynasty who have not married are "screw". They lost their virginities when they were young, and had sex with many men even though they are single.

Think twice: If pimp king Bhumibol and all members of the satanic Chakri dynasty know that their deeds are right, moral, and/or legal, **why** they **do not** accept their deeds like a man but assigned their co-workers and you to help them to alibi by **“lying to”** other people so as to **run away** from their deeds and so as to throw their guilts to the **innocent** people?

Think over: If all Thai people know that envy, faking, lying, tricky, screw, and selling drugs are right, moral, and/or legal, **why** they **do not** accept their deeds like a man but do everything to **conceal** their natures and their deeds?

Could you figure out **why** pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have enticed you to order The Father Almighty or another name is Allah?

Let Me explain;

One of the natures of humans is that after he gets something he wants, he will want to get **more** things, right?

So, after he gets something more and more and more from The Miracles of The Father **repeatedly**, he **will not** want to stop ordering The Father the same as The Chinese Government and many Chinese people, right?

And he **will not definitely** want to let anyone know what else he has ordered The Father in that **his deep mind tells him “The deeds are wrong, immoral, and/or illegal”**, right?

So, could you figure out **what will happen next** after he starts ordering The Father by the enticement of pimp king Bhumibol, the satanic Chakri dynasty, and all the Thai people, later on, completely becomes “a criminal” or may be “a felon” **along with** pimp king Bhumibol, the satanic Chakri dynasty, and all the Thai people?

He will do everything including lying the lies to other people especially judges and juries at every court of law to **run away** from his deeds, crimes, and felonies the same as pimp king Bhumibol, the satanic Chakri dynasty, and all the Thai people in that **his deep mind tells him “The deeds are wrong, immoral, and/or illegal”**, right?

## ***Once again: Reporting the lie to a police officer or a judge is an illegal as an offense of criminal law!***

I would like to emphasize the truths again; Before pimp king Bhumibol came back to Thailand as the king of Thailand, ***he had studied many subjects from Switzerland and Europe.*** He studies ***not only religious subject but also Laws and Psychology.*** ***And many gangsters in his gang know Laws and Psychology too.***

By the way, The Father told Me “Angie, after You and Will will have been at The Holy Home, I will let everyone see Hell and The Eternal Flame through Your Eyes and feel Hell and The Eternal Flame in his dreams. After that, if he still works the plan with pimp king Bhumibol, the satanic Chakri dynasty, all the Thai people, and all the evil foreign people together, ***it means that he himself accepts 100 percentages of cold-blooded torments in Hell and The Eternal Flame by himself!***”

Therefore, the question once again: ***If pimp king Bhumibol, the satanic Chakri dynasty, all the Thai people, and all the evil foreign people wish you the best, why they have enticed you to do wrong, immoral, and/or illegal?***

Did you know ***why*** pimp king Bhumibol, the satanic Chakri dynasty, and all the Thai people have enticed you and numerous foreign people including the new generation to order The Father?
