

Why just “Declare” “Request” and then “Receive”?

(Rewrite of the script that was emailed Prince William on 15 August 2018 to repost on My website on 7 March 2024)

Why will we see “Bearing of fruits **in this life**” (“Everything I do comes back to me”) after Will will have declared the truths, will have requested all good foreign mass communications to come into Thailand to report the news of Me, and will have received “The Wanted-List from The God”? **Why** we do not need to see **the Satans and all evil people completely commit their felonies before we will see “What goes around comes around”?**

Maybe you questioned yourself “Though righteous foreign police officers will receive “The Wanted-List from The God”, offences of many evil people who decided to work the devil’s dirty plan together after the end of November 1999 haven’t been completely committed. Therefore, if they go to courts of law, judges will judge them “They just tried to offend the offences. They haven’t successfully committed their crimes and felonies.””

Please listen to Me carefully.

The devil’s dirty plan was started in 1960. Since then, lots of evil foreign people have been enticed to work the devil’s dirty plan together. They decided to join the devil’s dirty plan to overthrow all ethical monarchies so as to appoint themselves to be members of royal families. They have meant to tempt all good foreigners and all foreigners who can reform themselves to be slaves of drugs. And they have worked together to make conflicts and wars take place in many parts of our world to get shares from selling arms. **Thus, since then, they have been felons because they conspired to commit felonies.** Please do not forget that **all evil people who had decided to work the devil’s dirty plan together before the end of November 1999 completely committed many felonies.** Since they successfully assassinated Princess Diana of Wales, Princess Grace of Monaco, John F. Kennedy, and Marilyn Monroe. And since then, conflicts and wars were occurred to help them to get shares from selling arms. I mean that they successfully offended genocide in many parts of our world completely. Hence, **they are old offenders of many felonies.**

How about felonies after the end of November 1999? I would like to spotlight it again. **The Satans and all evil people had successfully made appointments with one another, and had completely assigned their responsibilities before the Satans allowed The God to open My mind.** Did you hear pronunciations in the songs “A Smile Like Yours” sung by Natalie Cole, “Heartbreaker” sung by Dionne Warwick, “Make It Happen” sung by Mariah Carey, and “Where Is The Love?” sung by The Black Eyed Peas? I heard **“I’ve seen the bride at start”** from the song “A Smile Like Yours”. I heard **“Obama die in hell”** from the song “Heartbreaker”. I heard **“Meghan”** and **“Bangalore”** from the song “Make It Happen”. And I heard **“Bring Trump”** from the song “Where Is The Love?”. Could you remember what occurred in Bangalore? I mean that **when these songs were composed, were pronounced, and then were released? And how many years did situations happen later?** Our Father told Me many times **“Many songwriters composed many songs at the beginning, and then they chose singers to pronounce, and released many years later. And many old songs were pronounced at the start”.**

I would like you to know. **Although many evil people who were invited to work the devil’s dirty plan together after the end of November 1999 did not participate in assassination Princess Diana of Wales, Princess Grace of Monaco, John F. Kennedy and Marilyn Monroe, and have not successfully overthrown any ethical monarchies, (I mean that in law, they just tried to overthrow all ethical monarchies.) how about King Rainier III of Monaco, Queen Elizabeth, Prince Philip, Margaret Thatcher, Mark Hugu, Steve Jobs, Osama Bin-Laden, Amy Winehouse, Robin Williams, Michael Jackson, Whitney Houston, Prince, Chester Bennington, and massacre all over the world especially in the Muslim world? They had conspired to commit felonies by killing these VIP, and massacre all over the world especially in the Muslim world before the Satans allowed The God to open My mind. And felonies have been committed continually since the end of November 1999. Hence, they completely were old offenders of many felonies.**

Please think through it. **Why the Satans and all evil people who have worked the devil’s dirty plan together since before 1960 and are still alive will want to accept their felonies? And why all evil people who have banded the devil’s dirty plan together since the end of November 1999 will want to accept their felonies too? Thus, what will happen if Will declares the truths of him, Me, the harlot, and the overthrow gang to all good foreign mass communications, and then request all good foreign mass communications to come into Thailand to report the news of Me? Last, what will happen if “The Wanted-List of The God”, which have names of the Satans and all evil people all around the world, are in hands of righteous foreign police officers?**

Another question is that **why** I told you that if we **were not fooled** at the start, everyone would see the Satans and all evil people bear their own abundant bad fruits **at the end of 2000**.

Please listen to Me carefully. I have highlighted it many times. *The Satans and all evil people had **successfully** made appointments with one another, and had **completely** assigned their responsibilities **before** the Satans allowed The God to open My mind. If Will declared the truths of him, Me, and the harlot to all good foreign mass communications, and requested all good foreign mass communications to come into Thailand to report the news of Me after he had already known "Angie is my Soulmate", and had just spent his time with the harlot for only 1 hour, **why** the Satans and all evil people who have committed the devil's dirty plan together since before 1960 would not be afraid "My felonies will be exposed to all good foreign mass communications"? **Could you imagine** what would happen?* I would like to stress it again. *The examples of their felonies are assassination Princess Diana of Wales, Princess Grace of Monaco, John F. Kennedy, and Marilyn Monroe, and genocide all over the world.*

Later on, if righteous foreign police officers received "The Wanted-List of The God", **why** pimp king Bhumibol, who is the male Satan, and the rest of all evil people who have committed the devil's dirty plan together since before 1960 but still survive from killing one another would want to accept their felonies? I would like to underline it again. *The examples of their felonies are assassination Princess Diana of Wales, Princess Grace of Monaco, John F. Kennedy, and Marilyn Monroe, and genocide all over the world.*

Please think twice. After all evil people who agreed to commit the devil's dirty plan after the end of November 1999 had known "Who my companions that have committed the devil's dirty plan since before 1960 are", **why** the Satans and all evil people who have committed the devil's dirty plan since before 1960 would let their new companions survive to confess their felonies **to help righteous foreign police officers to link them up to know who else are real felons?**

Although their new companions did not know **all** evil people who have committed the devil's dirty plan since before 1960, **why** the Satans and all evil people who have committed the devil's dirty plan since before 1960 would not be nervous? They would be anxious certainly as they were not sure who else had known them and their felonies. Thus, *the Satans and all evil people who have committed the devil's dirty plan since before 1960 **could not** let all evil people who agreed*

to commit the devil's dirty plan after the end of November 1999 survive to confess their felonies.

These are the reasons why I told you if we were not fooled at the start, everyone would see the Satans and all evil people bear their own abundant bad fruits at the end of 2000.

If you are thinking about how unkind of us is if the Satans and all evil people bear their own abundant bad fruits by killing one another? I would like to question you:

- 1. If you were a virgin woman, but were raped by ISIS, how would you feel?***
- 2. If your tender son or your gentle daughter was in a hospital because they needed doctors, but the hospital was bombed, how would you feel?***
- 3. If you lived among blood and death in a brutal war, how would you feel?***
- 4. Have you ever known how many babies, kids, and innocent lives were passed on in wars in the Muslim world?***
- 5. Have you ever known how many children and teenagers were passed over because of school shootings?***
- 6. Have you ever known how many innocent lives were passed away, or were in torments because of disasters?***
- 7. Have you ever known how many innocent lives were killed because of terrorisms?***
- 8. If you were cousins of the tourists who were passed over because of boat sank at Phuket, and you knew that pimp king Bhumibol and his gang strongly wanted to divert the issues from "What have happened to Kay" and "Kay's conditions" to "Boat sank at Phuket", how would you feel?***
- 9. What did all ethical monarchies do wrong? Why do the Satans and all evil people really want to overthrow them and make them get the sentence of death by guillotine?***
- 10. Have you ever seen the conditions of drug addicts when they really want to retake drugs, but they do not have any drugs to take? What did you do wrong? Why do the Satans and all evil people actively want to tempt you be their slaves by being drug addicts and being drug sellers? Why do they want to bring you to die in merciless states with them forever?***
- 11. Did you see Princess Diana's life and My life? And***
- 12. How many people who were violently passed on because of the Satans and all evil people?***

Did you understand why *Our Father* truly wants to help everyone to see “Bearing of fruits **in this life**”, or Buddha called “Karma” **as a natural result of, and a natural reaction to**, or it is called in the English language “What goes around comes around” (“You reap what you sow” or “Everything I do comes back to me”)?
