

Why only Thailand is called “The Prostitute Country”?

(28 July 2024)

(I wrote these truths from 8 July 2024 to 28 July 2024, and posted them on My website on 28 July 2024.)

(I started to write these truths on 8 July 2024, and on 7 and 9 July 2024, I could not sleep all the nights!)

Every country has prostitutes: Buddhist countries, Christian countries, Muslim countries, developed countries, developing countries, underdeveloped countries, countries in the east, and countries in the west. Every country has prostitutes. Why The Father Almighty or another name is Allah lets people all over the world call only “Thailand”: “The Prostitute Country”?

Shall we see behaviours and habits of pimp king Bhumibol, first?

Why I call “king Bhumibol”: “pimp king Bhumibol”?

A foremost reason is that pimp king Bhumibol strongly envies The British Monarchy especially Queen Elizabeth and Princess Diana, all ethical monarchies in Europe especially Princess Grace of Monaco, and all monarchies of the countries that are developed countries especially Empress Masako of Japan. I mean that pimp king Bhumibol is a man but he strongly envies women!

The thoughts of pimp king Bhumibol about Queen Elizabeth while Queen Elizabeth was alive are “I am the king of a small agriculture country. However, Queen Elizabeth is just a woman but she is The Queen of The United Kingdom that has many colonials and is in top 7 of the developed and powerful countries. Queen Elizabeth and Prince Philip are also “monogamous”!”

The thoughts of pimp king Bhumibol about Princess Diana while Princess Diana was alive are “I am the king of a small agriculture country. And queen Sirikit had had sex with other men before she married me. But Princess Diana is a virginity and lovely woman. Princess Diana will be The Queen of The United Kingdom that has many colonials and is in top 7 of the developed and powerful countries. And Prince Charles really loves Princess Diana!”

The thoughts of pimp king Bhumibol about Princess Grace of Monaco while Princess Grace was alive are “I am the king of a small agriculture country. But Monaco that is called “French Riviera” is a country of millionaires and billionaires. Princess Grace is more good-looking and more famous than Queen Sirikit. And Princess Grace will become The Queen of The Land of millionaires and billionaires!”

And the thoughts of pimp king Bhumibol about Empress Masako are “I am the king of a small agriculture country in Asia. But Japan which is also in Asia, is in top 7 of the developed and powerful countries. Empress Masako is a daughter of an ambassador. She is virginity, nice, wise, and can speak each 8 – 9 languages. But Queen Sirikit who is a daughter of an ambassador the same as Empress Masako is not virginity, is not nice, is not wise, and cannot speak 8 – 9 languages the same as Empress Masako. Empress Masako is The Empress of the top 7 of the developed and powerful countries, and Emperor Naruhito does loves Empress Masako!”

The Father Almighty or another name is Allah told Me on 8 July 2024 at around 8:30 pm “Pimp king Bhumibol envies Queen Beatrix of The Netherlands, Queen Margrethe II of Denmark, and Queen Sofia of Spain too because they could parent their children especially their sons better than prostitute queen Sirikit parented her children especially pimp king mha Vajiralongkorn!”

I would like to underline the truths again: Pimp king Bhumibol is a man but he strongly envies “women”!

Note: The Father Almighty or Allah told Me on 25 July 2024 at 8:27 pm “Angie. Pimp king Bhumibol strongly envies the UK, British people, the countries in Europe, European people, Japan, and Japanese people in that the countries are beautiful and tidy, and the citizens of the countries are more disciplined and better than all Thai people!”

Because of the so very much envious mind of pimp king Bhumibol, so pimp king Bhumibol has acted like a backbite dog by faking to honour and to be friendly and sincere to the faces of The Monarchies that he envies but planning to continually attack The Monarchies that he envies to overthrow The Monarchies that he envies!

After pimp king Bhumibol had known “Angie, The Youngest Daughter of The God, was born in Thailand. But Her Soulmate is Prince William of The British Monarchy who is The Younger Son of The God. The Soul of Angie is The Soul of The Holy Toddler, and She is a genius and perfect as the best example of how humans should be. Her Parents are a god and a goddess. And Prince William is perfect, and The British Monarchy is A Holy Monarchy too”, pimp king Bhumibol became more and more envious by his thoughts “Our dynasty is The Holy dynasty, not The British Monarchy!”. I mean that pimp king Bhumibol strongly envies not only women but also even The Little Girl and The Boy from The God!

Because of the so very much envious mind of pimp king Bhumibol, so pimp king Bhumibol, prostitute queen Sirikit, and their offspring by cooperation of all Thai people and all evil foreign people have ordered The Father Almighty or Allah to change My appearance from good-looking to be ugly, and to control Me, The Little Girl from The God, to have low-class manners. They have not let Me read books and study abroad. And when I studied with teachers in Thailand and/or books which I bought, they have let the teachers and the books teach Me wrongly. They have also done everything to destroy My brain. They all do not let Me go outside Thailand but let their offspring study higher levels of their educations and show-off abroad in that they all cannot stand Me more stand out than them, and in hope that “Some good kings or some good princes will be interested in our offspring!”

Pimp king Bhumibol strongly envies My Parents by his thoughts “You are just middle-class but I am the king. Why are You honoured to parent The Daughter but I am not? You have parented The Daughter to be “the best”, so You deserved it right!” I mean that pimp king Bhumibol is a man and his age can be The Father of My Parents but he strongly envies The Younger!

A truth The Father Almighty or another name is Allah told Me on 8 July 2024 at around 8:45 pm which supports the truth “Pimp king Bhumibol strongly envies the younger” is “Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty have controlled Prince Mateen of Brunei to marry the prostitute because: (1) The Monarch of Brunei is a rich Monarch in Asia. (2) Brunei has crude oil. And (3) Prince Mateen who is the heir apparent of The Brunei Monarchy is more handsome than pimp king Bhumibol and pimp king mha Vajiralongkorn!”

To fulfilled the so very much envious minds of pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty, pimp king Bhumibol, prostitute queen Sirikit, and their offspring by cooperation of all Thai people and all evil foreign people have supported “foreign prostitutes” become “princesses” or “queens”, have supported “foreign pimps” become “princes” or “kings”, and have worked with the foreign prostitutes and the foreign pimps to overthrow all ethical monarchies!

The Father Almighty or another name is Allah told Me on 8 July 2024 at around 11:30 pm “Because prostitute queen Sirikit had had sex with many men before she married pimp king Bhumibol and because of so very much envious mind of pimp king Bhumibol, so good kings and good princes must marry women who had sex with many men before!”

Note: The Father Almighty or another name is Allah told Me on 8 July 2024 at 9:21 pm “Prostitute queen Sirikit had had sex with foreign men before she married pimp king Bhumibol: A French man and another time is a Danish man.”

The Father Almighty or another name is Allah also told Me “Ad-harn family let Me tell You this truth at 9:21 pm because they planned to blacken Prince William and The British Monarchy!”

Pimp king Bhumibol, prostitute queen Sirikit, and their offspring by cooperation of all Thai people and all evil foreign people have felt fun and ecstatic to see Me, The Little Girl from The God, and good women including the soulmates of good kings and good princes be tormented, hurt, and anguished!

And although pimp king Bhumibol is a man, he does not admit his offenses he has offended Me, The Little Girl from The God, and other people, like a man, but have run the plans to succeed in alibiing and in blackening Queen Elizabeth who was a goddess from The God, King Charles who is a god from The God, Prince William who is The Boy from The God, Prince Harry who is a god from The God, The British Monarchy that is A Holy Monarchy, and many innocent foreign people including many innocent foreign women! ...

... Did you see that the dynasty that is promiscuous is the Chakri dynasty, but pimp king Bhumibol never feel ashamed to assign their foreign henchmen to launch the rumour “Princess Diana (who was a goddess from The God) had a mistress!”?

Should Kings who are gentlemen have behaviours and habits like these?

What type of men like “king Bhumibol” should be called? If he is not called “pimp” or “pussy”, what should he be called?

How about pimp king mha Vajiralongkorn who is his only one son?

The Father Almighty or another name is Allah told Me several times “Thai kings are able to maintain their power by letting their wives, their daughters, and their nieces have sex with soldiers!”

Pimp king mha Vajiralongkorn got all the blood from pimp king Bhumibol and prostitute queen Sirikit. For him, women are just sexual materials or sexual goods. He has offended offenses but does not admit the offenses like a man but planned to let women admit the offenses instead of him and to blacken innocent women!

Should Kings who are gentlemen have behaviours and habits like these?

What type of men like “king Vajiralongkorn” should be called? If he is not called “pimp” or “pussy”, what should he be called?

How about the presidents of privy council of the kings of Thailand and privy councillors of the kings of Thailand?

Behaviours and habits of the presidents of privy council of the kings of Thailand and the privy councillors of the kings of Thailand both who were soldiers or policemen before and who were not soldiers or policemen before are like behaviours and habits of Thai soldiers and Thai policemen.

What are behaviours and habits of the Thai soldiers and the Thai policemen?

What minds of soldiers whose duty is about protect their country should be? And what minds of policemen whose duty is about public peace should be? But the Thai soldiers and the Thai policemen have destroyed their own country by being gangsters in Thai drug-selling gangs.

The Thai soldiers and the Thai policemen are men but they have adulated their bosses by letting their wives have sex with their bosses to be promoted for a higher position and/or to receive more salary! ... The Father Almighty or another name is Allah told Me “Angie, the Thai soldiers and the Thai policemen have known how to be promoted for a higher position and how to receive more salary since they studied at Military Preparatory School or Royal Police Cadet Academy. This is a foremost reason why the Thai soldiers and the Thai policemen choose to marry good-looking women!”

After the Thai soldiers and the Thai policemen knew the truths of Mine and Prince William, although they all are men, they all do not hesitate to adulate pimp king Bhumibol by helping pimp king Bhumibol to continually attack Me, The Little Girl from The God, Prince William, The Boy from The God, and My Mom, a goddess, in hope that The Little Girl from The God, The Boy from The God, and the goddess will be severely tormented until completely die!

Although the Thai soldiers and the Thai policemen are men, they all have adulated pimp king Bhumibol by helping pimp king Bhumibol to hurt good women especially Queen Elizabeth and the soulmates of good kings and good princes of The Monarchies that pimp king Bhumibol envies!

Although the Thai soldiers and the Thai policemen are men, they do not admit their offenses they have offended with pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people, like a man, but have helped pimp king Bhumibol and the satanic Chakri dynasty to plan to alibi and to blacken Queen Elizabeth who was a woman, Prince William, who is The Son of The God, The British Monarchy that is A Holy Monarchy, and many innocent foreign people including many innocent foreign women!

And although the Thai soldiers and the Thai policemen are Buddhist men and Muslim men that their duties and their religions are about “bravery” and “honesty”, their plans which they planned for pimp king Bhumibol and the satanic Chakri dynasty are about “how to be “backbite dogs”” “lying” and “deceptions”. And they agreed with pimp king Bhumibol and the satanic Chakri dynasty to teach their foreign friends and their foreign henchmen to be backbite dogs to lie to and to deceive foreign people especially judges and juries in every court of law to manage to survive!

Should men in military uniforms who are gentlemen and men in police uniforms who are gentlemen have behaviours and habits like these?

From their behaviours and habits earlier, if they are not called “pimp” or “pussy”, what should they be called?

How about male Thai politicians?

You will know that the male Thai politicians and their wives are also promiscuous and polygamous if you know why Thanathorn Juangroongruangkit chose to marry Rawiphan Daengthongdee, why Pita Limjaroenrat chose to marry Chutima Teepanat, and why Piyabutr Saengkanokkul chose to marry Eugenie Merieau who is French?

The Father Almighty or Allah told Me on 27 July 2024 “Angie, it is because they planned their lives to play politic!”

How about ordinary Thai men?

Ordinary Thai men are like pimp king Bhumibol. They envy women. Their thoughts when they meet a good woman are “She is virginity. Let us “fuck” her to change her behaviours!”

Behaviours and habits of the ordinary Thai men are like the Thai soldiers and the Thai policemen. They let their wives have sex with their bosses to be promoted for a higher position and/or to receive more salary!

The ordinary Thai men who are businessmen let their wives have sex with powerful Thai people to get a big project for their businesses and/or to run their businesses smoothly. This is a foremost reason why Thai millionaires and Thai billionaires support their offspring to marry actresses, models, singers, or famous women!

An ordinary Thai man who are in a Thai drug-selling gang fools a good girl and a good female teenager into losing their virginity for him, and tempt them into addicting drugs. Then, other ordinary Thai men in the Thai drug-selling gang take turns having sex with her and indirectly force her to sell drugs in front of the scene instead of him!

So, from their behaviours and habits earlier, if they are not called “pimp” or “pussy”, what should they be called?

By the way, two of the natures of all Thai men are “I do not care whom she belongs to. I want to have sex with her!” And “If I cannot make her belong to me, another man (and other men) must not have any chances to make her belong to him even though he is her soulmate!”

...

Shall we see behaviours and habits of Thai women together?

The so very much envious minds of the Thai women are not less stand out than the Thai men. Some of the examples of their so very much envious minds are;

(1) The Father Almighty or Allah started opening My mind when I was 24 years old. At that time, prostitute princess Ubolratana Rajakanya was nearly 50 years old, but she envied Me who was 24 years old and whom The Father Almighty or Allah told her “Angie is My Youngest Daughter. Her Soul is The Soul of The Holy Toddler!”

I told you “Pimp king Bhumibol, prostitute queen Sirikit, and their offspring knew “The Soulmate of Angie is Prince William of The British Monarchy” but they by cooperation of all Thai people and all evil foreign people have ordered The Father Almighty or Allah to change My appearance from good-looking to be ugly, and to control Me, The Little Girl from The God, to have low-class manners. They have not let Me read books and study abroad. And when I studied with teachers in Thailand and/or books which I bought, they have let the teachers and the books teach Me wrongly. They have also done everything to destroy My brain. They all do not let Me go outside Thailand but let their offspring study higher levels of their educations and show-off abroad in that they all cannot stand Me more stand out than them, and in hope that “Some good kings or some good princes will be interested in our

offspring!” So, do you think why pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri have done like these?

(2) When I was around 5 years old, Ratchaneewan Ad-harn, her husband, and their maids were around 35 years old, but they envied Me who was 5 years old. So, they could not stand Me read adult newspapers by their thoughts “Angie is older than my son not many months. But Angie can read adult newspapers which language and vocabularies are difficult for her age. But my son reads only comics which language and vocabularies are easy for his age!”

When I was around 7 to 8 years old, I started to be epilepsy. A psychiatrist let Me test My IQ. At that time, My IQ was 139 or may be 142 (I cannot accurately remember). But when I was a teenager, I had a chance to test My IQ again, but My IQ was decreased to be in a normal level. At that time, I thought “It is because I am an epileptic patient” Whereas, The Father Almighty or Allah told Me “Angie, at that time, I could not let Ratchaneewan, her family, and her gangsters know “Angie is a genius!””

When I studied in a primary school, I was selected to be a representative of the school to compete in speech contests many times. Although I could pass into the final of the contests, I never won the final rounds. Committees of the contests who chose Me to be the representative were puzzle “She is much talent. Why she could not win the final rounds?” The Father Almighty told Me “Angie, I had not been able to let You be famous before I opened Your mind in that Ratchaneewan, her family, her gangsters, and all Thai people would “bury” You before You would “shine”!”

When I was around 17 years old, Ratchaneewan Ad-harn, her husband, and their maids were nearly 50 years old, but they envied Me who was 17 years old and could pass the university entrance examination to be a freshy of faculty of law, Thammasat University. So, they strongly wanted Me to be “a graduator who has no future”. So that, they asked professors of the faculty who were their gangsters to grade Me unfairly to make Me cannot reach GPA which can be approved to study higher levels abroad. The Father Almighty or Allah told Me “Angie, if prostitute princess Bajrakitiyabha answered the examinations like You, she would get 90 scores or 100 scores from 100 scores. But because A Person who answered the examinations are You, so You got only 60 scores and 60 scores and a little from 100 scores!”

(3) The Father Almighty or Allah told Me “Liza Blackpink has done many deeds to compete You and ordered Me to make her be the most beautiful woman in the world because she cannot stand how famous You are and she cannot bear the pronunciations “the world most beautiful woman” from the song “Dance Again” sung by Jennifer Lopez feat. Pitbull which means You”

By the way, before I saw the news “King Charles gave insignias to Blackpink”, I had heard the voice of Liza Blackpink “I must meet Prince William before Angie!” Liza ordered The Father Almighty or Allah like this because of the pronunciations “Mr. worldwide and the world most beautiful woman” from the song!

And

(4) There is a Thai poem which tells everyone one of the natures of all Thai people. The meaning of the poem is “You can do goodness but do not stand out. If you do goodness and also stand out, a disaster will be brought into your life by other (Thai) people!”

Anyway, how about their promiscuities?

Have you ever watched Thai dramas? Could you notice something from the Thai dramas? If the plot of the Thai dramas is not about fighting over men, it is about fighting over heritages. But the real lives of all Thai people are much more because all Thai people are promiscuous but they do not reveal their promiscuities in any Thai dramas!

The Thai women love to grab men who are rich and/or can help her to have a better life. Could you remember I told you “All Thai women who married foreign men do not love the foreign men but they want better lives and want to move themselves to live abroad to help pimp king Bhumibol, the satanic Chakri dynasty, all Thai people in Thailand, and all evil foreign people to order and control foreign people abroad to succeed in the devil’s dirty plan”?

Not only they never feel shy or guilty to grab men or to fight over men like prostitutes grab their customers, and not only they married a man without love but to have a better life which cause The Father Almighty or Allah let foreign people call only Thailand: “The prostitute country”, but also their behaviours of sexual activities.

How?

I told you “What prostitute queen Sirikit did” in the section of the Thai men. So, could you notice that the face of prostitute princess mha Chakri Sirindhorn is not like the faces of her siblings?

Have you ever studied about “dominant genes” and “recessive genes”? But why all 3 children of Peter Ladd Jensen, an American who has gold hair and blue eyes, and prostitute princess Ubolratana Rajakanya, a Thai woman who has black hair and dark brown eyes, have black hair and dark brown eyes? And could you notice why the appearance of Sirikitiya, the youngest daughter of Peter Ladd Jensen and prostitute princess Ubolratana Rajakanya, is like Thai people or Asian people?

Refer to the knowledges of “dominant genes” and “recessive genes”, could you notice that many Thai actresses who declared themselves “My father is a western man”, but why their appearances are like Thai people or Asian people?

Could you notice the day of the wedding ceremony of prostitute princess Chulabhorn Walailuk and Virayuth Tishyasarin and the birthday of prostitute princess Siribhachudhabhorn who is their eldest daughter? And why the face of prostitute princess Siribhachudhabhorn is like the face of pimp king mha Vajiralongkorn?

Anyway, The Father Almighty or Allah told Me “Angie. To be one singer in the girl group “Blackpink”, Liza Blackpink had sex with not only record label owners but also producers!” If it is the truths, it means that she exchanges having sex for work!

But you will think that the case of Liza Blackpink is not odd for all Thai women if you know “Thai men who let their wives have sex with their bosses for higher positions, more salary, or running their businesses smoothly, just tell their wives “You just change “scenery” for having sex!” and their wives agreed with their words!”

The Father Almighty or Allah told Me “Angie, even the wife of Prayuth Jun-o-cha, even the wife of Thanathorn Juangroongruangkit, and even the wife of Santi Santivejakul, nickname “Game”, an actor, have done!” The Father Almighty or Allah told Me “The wife of Thanathorn had sex with powerful Thai people. Thanathorn knew but he thinks “For my businesses run smoothly!” The Father Almighty or Allah also told Me “Angie. The Father of Santi was a soldier, and Santi has a business, so Santi let his wife have sex with bosses of his father!”

The Father Almighty or Allah told Me on 27 July 2024 at around 6:30 pm “Angie. Thai soldiers who are women and Thai policewomen also knew how they will be promoted for a higher position or receive more salary” So, could you forecast what they have done with their bosses?

The Father Almighty or Allah told Me “All Thai people are polygamous and promiscuous. After a Thai man marry a Thai woman and live their lives together for a moment until they are bored having sex with each other, the Thai man and the Thai women find others who are not their spouses to have sex with!”

The Father Almighty or Allah told Me “Angie, You and Your Parents do not really have the natures of all Thai people” And “A person is called “a citizen of a country” as the person has natures the same as the citizens of the country!”

Did you understand all Thai people knew “The Soul of Angie is The Soul of The Holy Toddler”, but why they all really want Me to envy other people, and to have sexual emotion and much sexual desires?

Did you understand why only Thailand is called “The Prostitute Country”?
