

Why their appearances are like Thai people?

(1 March 2024)

(I wrote this topic from 29 February 2024 to 1 March 2024, and posted it on My website on 1 March 2024. I completed it as The Father Almighty told Me and reposted it on 2 March 2024.)

The Father Almighty told Me “Because hair colours of 3 children of prostitute princess Ubolratana Rajakanya and Peter Ladd Jensen are “black” or “dark”, so since the end of November 1999, prostitute Princess Ubolratana Rajakanya has ordered Me to change “the truths of dominant genes and recessive genes” to “blind” people all over the world”

Whereas, because when I was a girl, I noticed that children whose parents are a western man and a Thai woman have “blue” eyes and “light” hair colours, so I really doubted why colours of eyes and colours of hair of these Thai stars who were born before the end of November 1999 and their parents are western men and Thai women are “black” or “dark”? And why many of them have appearances like Thai people and/or Asian people?

The Thai stars whose hair colours are black or dark and faces are like Thai people and/or Asian people are;

(1) Nicole Theriault, nickname Kie and Nicky. She was born on 23 June 1972. She and her mother told everyone “The father is American-French”. But her hair colour is black and her face is like her mother. By the way, hair colour of Tigger who is her son is black and his face does not show any genes of western people.

(2) Amita Marie Young, nickname Tata. She was born on 14 December 1980. She and her mother told everyone “The father is American” But her hair colour is black and her face is like Thai people who come from North-East of Thailand. By the way, hair colour of her son is black and his face does not show any genes of western people too.

(3) Paula Margaret Taylor, or the name in entertainment industry is Paula Taylor, or the Thai name is Punlapa Supa-aksorn. She was born on 20 January 1983. She and her mother told everyone “The father is English”. But her hair colour is black and her face is like Asian people especially Chinese.

(10) Jacqueline Muench. She was born on 21 October 1993. She and her mother told everyone “The father is German”. But her hair colour is black and her face is like Thai people.

(11) Diana Flipo. She was born on 11 August 1994. She and her mother told everyone “The father is French”. But her hair colour is black and her face is like Indian-Thai. And because she was born in 1994, so she and her mother can order The Father Almighty to change her appearance to be as the minds of her and her mother since she was 6 years old!

The Thai stars whose hair colours are black or dark;

(1) Ann Thongprasom. She was born on 1 November 1976. When I was a teenager, I had a chance to read an interview in a magazine. She told everyone in the interview “My Father is a GI (American)” But on 28 February 2024, I found her information from going online. A website told Me “The father of Ann Thongprasom is Swedish”. The Father Almighty told Me later “Angie. She still has not known “Who my real father is!””

(2) Araya A. Hargate, nickname Chom and Chompoo. She was born on 28 June 1981. She and her mother who is Lao immigrated to live in Thailand told everyone “The father is English”. But her hair colour is black. The Father Almighty told Me later “Angie. The Lao mother of Araya was taught ways to “grab” a western man by Thai women”

(3) Sririta Jensen Narongdej, nickname Rita. She was born on 27 October 1981. She and her mother told everyone “The father is Danish”. But her hair colour is black and her face is like Indian-Thai.

(4) Praya Lundberg, nickname Poo. She was born on 28 March 1989. She and her mother told everyone “The father is Swedish”. But her hair colour is black and her face is like Indian-Thai. (Her mother married an English after she had divorced her father. And her mother and the English “have” a son together.)

(5) Urassaya Sperbund, nickname Yaya. She was born on 18 March 1993. She and her mother told everyone “The father is Norwegian”. But her hair colour is dark colour.

(6) Patricia Good. She was born on 18 August 1997. She and her mother told everyone “The father is English”. But her hair colour is dark colour. Although her face is like Indian people more than English people but because she was born in 1997, so she and her mother can order The Father Almighty to change her appearance to be like English people since she was 3 years old!

I would like you to know that the names of these Thai stars and the names of their mothers are in many English songs. The Father Almighty told Me “Angie. The mothers of these Thai stars and these Thai stars have worked the plan since the start because they do not strongly want other people to know the truths of their own themselves!”

I could notice these Thai stars and their mothers because they are stars. But how many western men who married a Thai woman and “have” a child or children who are not stars, together?

The Father Almighty told Me from 29 February 2024 to 2 March 2024;

- “The ways for Thai women to “grab” a western man are known among Thai women!”

- “One of the ways for Thai women to “grab” a western man is that having sex with a western man who is her target to “grab” along with having sex with Thai men (or other men who are her partners). After a baby is conceived, the Thai woman tells the western man who is her target to “grab” “I was pregnant “our” baby!””

And

- “Thai women choose her target to “grab” by choosing a foreign man who is rich or has enough money to pay for comfortable lives of her and her child (or children), and maybe her Thai family too. They all feel fun to have sex with foreign men and get “money” as a complementary. And they all want a better life too. But their targets believe “She had sex with me as she loves me!””

Could you remember what else I told you in the topic “The Prostitute Country” in My first e-book?

Did you know why three of the attempts of all Thai people are that trying to make Me have sexual desires, and trying to tempt Prince William and Prince Harry into having sex with the harlots even though they all knew that Prince William and I are Soulmate and Prince Harry was sent to this world with his soulmate too?

What should we call women who “turn having sex to money, a gain, and/or a better life”? And what do we call men who live their lives with a prostitute and love to look for a problem on, hit, and/or hurt a woman and/or a girl? ...

... Did you understand why The Father Almighty let foreign people all over the world call **only** “Thailand” that **“the prostitute country”**?

My advice is that **after** I and Prince William will be at The Holy Home, foreign men who “have” a child or children with a Thai woman have to prove DNA of you and your child (or children) to know that I am the real father or not, to save you from being fooled into raising the child (or the children) of another man. ... **After** I and Prince William will be at The Holy Home, nobody can order The Father Almighty to do many things as their minds anymore!

Whereas, The Father Almighty told Me on 2 March 2024 “Angie. After DNAs will have been proved, almost of foreign men who have a child (or children) with a Thai woman will know that I am raising a child (or children) of another man. But all Thai people who all have thick faces will alibi “Queen Elizabeth, Prince William, The British Monarchy, British people, and their foreign henchmen strongly want to defame us. Thus, they all have worked together to order The God to make results of DNA to be like these!” ...

... Refer to My question: “What do we call men who live their lives with a prostitute and love to look for a problem on, hit, and/or hurt a woman and/or a girl?” and refer to what have happened to Me, My Mom, and all good foreign women around the world, did you understand why pimp king Bhumibol, pimp king mha Vajiralongkorn, high-level Thai soldiers, Thai men, and their foreign henchmen who are men are the fittest for being called “pimps”?

Last, refer to the truths of dominant genes and recessive genes, could you figure out why appearances of many Thai people whose parents are a western man and a Thai woman, are like Thai people?
