

Why they all strongly want Me to live in lies?

(5 November 2025)

Pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people have worked altogether to set Me to live in lies including the lies about when Prince William will call Me for the first time. Main reasons why they all strongly want Me to live in lies are;

1) **They all strongly want to discredit The Father Almighty or Allah. They all do not strongly want anyone to believe the truths from The Father** because The Father knows everything, The Father never lies to anyone (For this reason, they order The Father to send their thoughts to lie to their targets), and after Prince William and I will have been at The Holy Home, The Father as The Best Witness will tell all the truths of them to foreign people including judges and juries in every court of law.

2) **They all strongly want to discredit Me. They all do not strongly want anyone to believe the truths from Me as A Person who never lie to anyone and have had direct experiences in the natures of all the Thai people and Thailand since I was born especially since I was 14 years old. If nobody believes the truths from Me, it will be easy for them to lie to the foreign people including the judges and the juries in every court of law “The information about king Bhumibol, queen Sirikit, the Chakri dynasty, and many Thai people which Angie heard are the lies. We are blackened!”**

3) **They all strongly want Me to be confused to fool Me into believing “Prince William, All Ethical Members of The British Monarchy, and most of English people love Me, others can hear My Thoughts and can feel My Feelings, and I can send Imaginary Images to the others are just “all in My Head!””**

Because of that and because they all really know a day when Prince William will call Me for the first time, so, they all have not let anyone even My Parents talk the truths to Me, they all have repeatedly fooled Me into having a real hope that Prince William will call Me on this day or on that day, and on a day in the middle of October 2025 in the late morning, while I was being with Daddy Jamnong driving His pickup truck to a department store, Daddy Jamnong was controlled to ask Me “Do You still hear voices in Your Ears?”. Because I never lie to anyone, so I replied Him “Yes”. **Last, He was controlled to conclude “You have to take a rest and sleep enough. I do not know how to help You. The prices of Your medicines are increased every day!”**

And

4) Because I live with hope, so they all strongly want to destroy My all hopes not to have any hopes left.
