

Why will not they be allowed to be in the new better world? (12 July 2025)

The Father Almighty or another name is Allah told Me;

“Angie, although We do not need to let all evildoers offend wrongdoing before, because Will, Daddy Charles, and Harry have not believed the right solution from You, so although around 3,000,000,000 people who are the evildoers around the world will tell others “We can reform ourselves” after everyone will have seen Hell and Fire in Your Eyes and will have felt Hell and Fire in his dreams, the time around 26 years from the end of November 1999 will help the others (who will have a chance to reform themselves in the new better world 😊😊) to know why the 3,000,000,000 evildoers will not be allowed to be in the new better world!

Angie, the evildoers will not be allowed to be in the new better world because they do not have sense of shame and fear of wrongdoing;

1) Angie, **did You see that many Christians and many Muslims know Who I am since they were born, but why did they order Me? And why did they agree to work the plan?** Angie, You knew that some of them in this group are professors at foreign leading education institutes, right?

Angie, I prepared some questions to ask them:

“You really know Who I am. Why did you order Me?”

“You really know that Angie is My Most Beloved Daughter, Will is My Beloved Son, and Will and Angie are True Soulmate created by Me. Why do you want Them to be extremely tormented until They pass on? And why do you want Them to be separated from Each Other?”

“You really know that Harry and Harry’s Soulmate are My Children and True Soulmate created by Me. Why do you want Them to be violently tormented until They pass on? And why do you want Them to be separated from Each Other?”

And

“You really know Who Else I sent to be born to do My Missions. Why do you want This Group of gods and goddesses to be severely tormented until They pass over?”

2) Angie, **did You see what the evildoers who are not Christians or Muslims did? They know that there is The Father, so there must have Hell and Fire. But why they insisted to continue offending wrongdoing?**

3) Angie, **did You see what men who fight over You from Will, who fight over Harry's Soulmate from Harry, and who fight over soulmates of other men from the other men, did? These men do not care Whom Girls and/or women belong to. If they want The Girls and/or the women, they do every evil way by their thick faces to fight over The Soulmates of The Others.**

And

4) Angie, **did You see what women who fight over Will from You, who fight over Harry from Harry's Soulmate, and who fight over soulmates of other women from the other women, did? These women do not care Whom Boys and/or men belong to. If they want The Boys and or the men, they do every evil way by their thick faces to fight over The Soulmates of The Others.**

Angie, **the evildoers think "Although there are Hell and Fire, I will do. Why? What will You (The Father) do to me?" And they have mocked at and have laughed at Me, You, Will, Harry, Harry's Soulmate, The Sons (Jesus and Mohammad etc.), gods, goddesses, and the good. They also mockingly and funnily asked Me "The God, when will we see karmas? When will our bad karmas rebound us? Hahaha!"**

Angie, **dharma centres and some monks tell their disciples "In around 2000 AD, there are natural disasters to take more than a half of world population to Hell and Fire. People who survive from the natural disasters are the good people". Angie, declare the truth "Not the natural disasters take a half of the world population to Hell and Fire, but I and their own evil deeds!"**

By the way, Angie, do not forget to tell the new generation;

Because:

1) Since the end of November 1999, pimp king Bhumibol, prostitute queen Sirikit, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers have been able to choose devilish spirits who were judged to die in Hell and Fire forever to be born.

2) The main reason why a person will be good or will be bad is his own karmas in his previous life (or lives), with the result that there are good people mixed bad people in the current century. However, **I will turn back the time to 1987, with the result that many of the new generation who will be born in the new better world and/or will be surrounded by morality in the new better world, will be good.**

So, the new generation will be allowed to be in the new better world or not, each man was considered individually 😊😊”

Angie, write and post the truths I told You to declare why they will not be allowed to be in the new better world and what take a half of the world population to Hell and Fire on Your Website!”
