

Why will not they be allowed to be in the new better world? (2) ***(16 July 2025)***

(I wrote these truths from 15 July 2025 to 16 July 2025, and posted them on My Website on 16 July 2025.)

The Father Almighty or Allah has told Me another reason why the 3,000,000,000 evildoers will not be allowed to be in the new better world;

“Angie. The evildoers strongly believed “Angie and/or Prince William and/or gods and/or goddesses Who were sent to help Angie, Her Parents, and Her Group to go out of Thailand to fly to The Holy Home, will have been died before the time Angie will be survived, will come surely”. Therefore, the evildoers who order Me including the evildoers who order Me because they want to fight over men or women from soulmates of the men or the women and the evildoers who offend wicked deeds but plan to alibi like “I followed an order” are the people who have no sense of shame and fear of wrongdoing. I mean that **if they have a chance to do an evil deed even though they know that the evil deed is a mortal sin, they will do the evil deed even though they know that there are Hell and Fire. One of their thoughts is “I never care about Hell and Fire. I must get everything I want in this life before and/or I must have a luxury and comfortable life in this life before!”** ...

... Angie, You knew that **5 of The Phenomenal Teachings of Buddha are “Law of Karma”, “Hell and Fire”, “3 Gems of Buddhist (which are that do goodness, do not do badness, and purify your mind)”, “Sense of Shame and Fear of Wrongdoing”, and “Selling drugs and taking drugs are mortal sins”**. But could You remember I told You many times **“Most of the leaders who lead foreign people all over the world to order Me and to kill You who are 5th Buddha of the world, are Buddhists”**? Did You see pimp king Bhumibol, prostitute queen Sirikit, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, Bhutanese royal family, all Bhutanese people, Japanese royal family, many Japanese people, and all South Korean people as examples? Angie, You also knew that all the Thai people start to study The Phenomenal Teachings of Buddha in primary schools and how about other Buddhist countries? So, **what extra cold-blooded torment else which is the most appropriate for the evildoers who are Buddhists?”** ...

... Angie, do not forget to tell everyone why I call You “The Only One Latest Redeemer of The Current Millennium”: Angie, **2 of the everlasting truths which You figured out, are that nobody even Me can change a deed of a man from bad to be good or from good to be bad, and nobody even Me can send a bad man to Heaven or send a good man to Hell and Fire. It means that any of your deeds whether good or bad are yours, attach with your spirit forever, and nobody even Me can change. Therefore, because nobody in the new better world never did any sins, but because I sent You to be born with the result that I will turn back the time to 1987 to let everyone “begin again”, so everyone who is allowed to be in the new better world will be able to “begin again” as he will have been redeemed by You. ... If You would not been sent to be born, I would not turn back the time to 1987, with the result that nobody had a chance to “begin again” to be redeemed by You 😊😊. ...**

... Angie, underline the truth again: **everyone who will be allowed to be in the new better world is not only all good foreign people but also all foreign people who can reform themselves including many of the foreign people who join the plan as “small participators” but can reform themselves and many of the foreign people who try ordering Me not many times but decided not to continual ordering Me. Angie, You have usually said “If you can reform yourself, you will be forgiven”, right? 😊😊 ...**

... Angie, **I have the right to allow each man to be in the new better world or not to be in the new better world because I Myself created the world! 😊😊 ...**

... And Angie, tell everyone **“Reread the topic “Why will not they be allowed to be in the new better world? (12 July 2025)” again to be reminded how I judged the new generation 😊😊.”**
