

Why you must accept your all mistakes before? (A Good Friday in 2024)

Reasons are;

(1) To go into “The Process of Redemption” in that **a step of “The Process of Redemption” is “Confession”** 😊😊.

And

(2) Process of law is run step by step. After you accept your all mistakes, The Father and I will be your Best Witness at every court of law **to confirm that you are controlled and/or are ordered to work the plan**. So, you will be helped **not to** be convicted of any crimes and any felonies **as you did unconsciously**. After that, **you will be able to run the process of law against all the people who controlled and/or ordered you. And it will be possible for you to receive compensation and interest from them in that they violated your lawful right such as your body and your freedom** 😊😊.
