

## ***Will be disappeared all, or not all? (3)***

***(17 October 2025)***

***(Please read them all.)***

I told you “There are some countries that The Father Almighty or Allah told Me “Most of their citizens work the plan” but The Father still has not told Me “Their all citizens will be disappeared all, or not all” and I guess “Their citizens will not be disappeared all””.

And I told you “The Father knows at the time He created The World: Who else must not be taken down to Hell and Fire. Who else must be taken down to Hell and Fire but not forever. And who else must be taken down to Hell and Fire forever”

The Father wants Me to tell you more;

“Angie. I separate the countries that most of their citizens work the plan to 2 groups:

(a) Group 1: All the citizens of the countries will be disappeared all.

And

(b) Group 2: Only the citizens who work the plan will be disappeared. ...

... Angie, tell everyone: For the countries in the group 1 which the citizens who do not work the plan will be disappeared with most of the citizens who work the plan, the spirits of the citizens who do not work the plan will be taken to “My Areas” to wait for reborning in The New Better World to reform themselves in Your Era. ...

... Why the citizens who do not work the plan among most of the citizens who work the plan need to be reborn? ...

... It is because everything which happened before I will turn back the time to 1987 will be noted in the world’s history. So, if they are let to continue spending their lives in The New Better World without reborning, deep inside the minds of others will judge them by bias! ...

... Angie, tell everyone: “I choose the best way for all good foreign people and foreign people who can reform themselves ☺☺.”
